NOTICE TO PROSPECTIVE BIDDERS

The North Carolina Department of Transportation is requesting bids for the following project in Division One:

DA00706 – Traffic Signal Construction at the intersections of US-158 at Grouse Street/Soundside Dr., and US-158 at Lakeside Street in the Town of Nags Head in Dare County

WBS Element: 36249.5165

Contract Dates:

- **Bid Submission: Wednesday, October 7, 2026, by 2:00 PM**
- **Date of Availability: November 9, 2026**
- **Completion Date: November 19, 2027**

There is NO MBE/WBE Goal for this project.

CONTRACTOR PREQUALIFICATION

Any firm intending to submit a bid as a prime contractor must be officially prequalified as a Bidder or PO Prime Contractor prior to submission.

- **Prequalification Requirements:** Detailed guidelines and application steps are available via the [NCDOT Prequalification Portal](#).
- **Status Verification:** To verify your firm's status with the Contractual Services Unit, search the [NCDOT Directory of Firms](#).

DOCUMENTS & CONTACT INFORMATION

Contract proposal packages and reference files are available digitally:

- **Proposal Packages:** Access the files on the [Division 1 Advertised Letting List](#).
- **DBE Bin File:** Download the [DBE NC.bin](#) file directly from the Connect NCDOT Directory.
- **Forms:** Forms not included in the Bid Proposal can be downloaded from the [Connect NCDOT Directory – Central Letting Forms](#).

Location:
113 AIRPORT DRIVE, SUITE 100
EDENTON, NC 27932

BID SUBMISSION

To submit a formal bid for this project, all prequalified contractors must adhere to the following directives:

- **Proposal Guidelines:** Prepare and submit all bids in strict accordance with the **Instruction to Bidders** section found within the project Bid Proposal.
- **Security Requirements:** Provide a mandatory **Bid Bond** in compliance with **Article 102-10** of the Standard Specifications for Roads and Structures.
- **Compliance Notice:** Failure to follow the specified guidelines or provide the required bond will result in the immediate disqualification of your submission.

BID OPENING

The public reading of submissions will take place virtually on **Wednesday, October 7, 2026, at 2:00 PM.**

- **Conference Call Access:** Prospective bidders can join via the Division One Conference Call line at (866) 590-5055 using access code 2659015.
- **Punctuality:** Please dial into the conference call approximately five minutes prior to the start time to allow the Department to record attendance. Bid reading will begin promptly at 2:00 PM.
- **Alternative Results:** If you cannot attend the live call, official bid results will be posted on the Division One Webpage following the opening.

If you have any questions or need additional information concerning this project, please contact Mark Winslow at (252) 482-1866.

Sincerely,

Mark S. Winslow

DATE: May 19, 2026

TO: Whom It May Concern

SUBJECT: [Bidx.com](https://www.bids.com) - Streamline Bidding Starts July 1, 2026

MEMORANDUM:

A significant upgrade is coming to the bid submission process! Starting with the July 1, 2026 letting, new enhanced bidding workflows will provide a more streamlined and accessible experience.

Key Benefits:

- Bid directly in your web browser—no downloads needed.
- Eliminates the need for AASHTOWare Project Bids™ Bid software.
- Works with all modern operating systems.

Stay tuned for more details.

Visit the [Knowledge Center Contractor Toolkit: Bid Submission in Bidx.com](#) for more information.

Contact AWPHelp@ncdot.gov with questions.

Notice Regarding Upcoming Buy America Changes

On January 14, 2025, the Federal Highway Administration (FHWA) terminated its General Waiver for Manufactured Products and established specific Buy America requirements for their use on Federal-aid highway projects.

This means that as of the following dates, materials defined as manufactured products permanently incorporated into Federal-aid highway projects will have to be manufactured in the United States.

Key Implementation Dates

- Phase 1: contracts obligated on or after **October 1, 2025**
 - Final assembly of all manufactured products permanently incorporated into Federal-aid highway projects must occur in the United States.
 - Phase 2: contracts obligated on or after **October 1, 2026**
 - Final assembly of all manufactured products permanently incorporated into Federal-aid highway projects must occur in the United States.
- AND
- The cost of U.S.-produced components in manufactured products must be greater than 55% of the total cost of all components.

Definition of Manufactured Products

Manufactured Products are defined as articles, materials, or supplies that:

- Have been processed into a specific form and shape, or
- Have been combined with other articles or supplies to create a product with different properties than the individual articles, materials, or supplies.

This places greater emphasis on using domestically produced materials on these projects and is consistent with the Build America, Buy America Act (BABA) under the Bipartisan Infrastructure Law (BIL).
