CONTRACT TIME AND LIQUIDATED DAMAGES:

The date of availability for this project is December 13, 2023.

The completion date for this contract is **the date of acceptance of all erosion control measures in the contract. Liquidated Damages will begin if erosion control items are not accepted within 90 consecutive calendar days following acceptance of roadway and structure items.**

The liquidated damages for this contract will be **Nine Hundred Dollars (\$900.00)** per calendar day.

After award of the project, the Contractor shall notify the Engineer of his expected date for beginning work.

INTERMEDIATE CONTRACT TIME NUMBER 1 AND LIQUIDATED DAMAGES:

Except for the work required of final establishment of erosion control measures contained in the contract and removal of temporary erosion control measures, the Contractor will be required to complete all work included in this contract and shall place and maintain traffic on same.

The date of availability for this intermediate contract time is December 13, 2023.

The completion date for this intermediate contract time is the date of acceptance of all roadway and structure items in the contract. Liquidated Damages will begin if roadway and structure items in the contract are not completed within 120 days from the date construction begins but must be complete no later than June 14, 2024.

The liquidated damages for this intermediate contract time are **Nine Hundred Dollars (\$900.00)** per calendar day.

Upon apparent completion of all the work required to be completed by this intermediate date, a final inspection will be held in accordance with Article 105-17 and upon acceptance, the Department will assume responsibility for the maintenance of all work except for the final establishment of erosion control measures and removal of temporary erosion control measures. The Contractor will be responsible for and shall make corrections of all damages to the completed roadway and/or bridge caused by operations performed in final establishment of erosion control measures and removal of temporary erosion control measures, whether occurring prior to or after placing traffic on the project.

Payment for maintenance and removal of temporary erosion control measures is incidental to the various pay items in the contract. No additional compensation will be made for maintenance and removal of temporary erosion control items.
