PROJECT NO.: WBS #51008.3.1, TIP # C-5538  
COUNTY: Mecklenburg  
DESCRIPTION: Tuckaseegee/Berryhill/Thrift Road Roundabout  
SUBJECT: Suspension of Construction Phase

Dear Ms. Brickey,

The North Carolina Department of Transportation has delayed lettings for projects due to the decrease in revenues, as a result of the coronavirus pandemic. These letting delays include local municipal projects. Effective immediately the construction phase for C-5538 is suspended.

Although the project was previously approved to be advertised, a revised let date will have to be determined at a future date after the Department's revenue losses have stabilized and we are able to reassess our capital expenditures program.

We will keep you informed of any changes in the status of this suspension. If you have questions or need additional information, please contact Tim Kirk at [tmkirk@ncdot.gov](mailto:tmkirk@ncdot.gov) or at 704-244-1216.

Sincerely,

A handwritten signature in blue ink that reads "Tim Kirk".
