Addendum No. 2
September 17, 2025 Letting

To: Prospective Bidders

The Department has received questions concerning the above-mentioned project. Please note the question and answer provided below:

- Q: There are numerous instances in the plans where it calls to "Begin Landing" (e.g. STA. 15+50 -L-). Is there a detail that can be provided for these Landings? What item will these be paid under?
- A: There is no detail. Landings are a 5' x 5' area in the Sidewalk that is flat Longitudinally but still maintains a 2% cross slope. It will be paid for just under the 4" Concrete Sidewalk Line Item.

The changes and attachments included with this addendum will become part of contract DJ00575.

The electronic bidding file has been updated to reflect this revision. Please download the Addendum File and follow the instructions for applying the addendum. Bid Express will not accept your bid unless the addendum has been applied.
