STATE OF NORTH CAROLINA
DEPARTMENT OF TRANSPORTATION

JOSH STEIN
GOVERNOR

DANIEL JOHNSON
SECRETARY

November 10, 2026

WBS No: 51903.3.1
Contract No: DJ00605
County: Anson
Description: Grading, Drainage, Paving, Sewer Line Relocations, Retaining Wall, Concrete Curb and Gutter, Thermoplastic Pavement Markings, Sidewalk and Signals at the Intersection of US-74 and SR-1259 (Anson High School Rd.)

Addendum No. 1
November 18, 2026, Letting

To: Prospective Bidders

The Department has received a question concerning the above-mentioned project. Please note the question and answer provided below:

- Q. I've spoken with a few contractors to perform the vibration monitoring on this project and have gotten the same question from each one. Those that handle the monitoring are not PE's but are certified by the Institute of Noise Engineering (https://www.inceusa.org/). Can you confirm if a certified vibration control engineer can sign the documentation for the monitoring or is the Department requiring a PE?
- A. We will allow a NC-licensed geologist (PG) or engineer (PE) to seal the reports.

The changes and attachments included with this addendum will become part of contract DJ00605.

If you have any questions, please contact me at (704) 983-4400.

Sincerely,

DocuSigned by:
Jason Brooks
