Bid Opening: October 6, 2022 @ 2:00 P.M.

Dear Sir or Madam:

Following a review of the bids submitted for the above project opened on October 6, 2022, at 2:00 P.M. at the Division Engineer's Office, all bids are being rejected in accordance with section 102-14 of the *2018 Standard Specifications for Roads and Structures*.

Upon review, the Bid Review Committee noted inconsistencies within the contract proposal in relation to traffic control items listed on the bid form and the traffic control special provision. The Traffic Control and Work Zone Safety special provision stated that no direct payment will be made for Traffic Control and Work Zone Signing as the cost will be considered incidental to the work, however, traffic control items were listed on the bid form. The Bid Review Committee determined that such inconsistencies could be detrimental to the Department and/or the Contractor.
