

**City of Hickory, North Carolina**

**Request for Letter of Interest (RFLOI)**

**EB-5750- City Walk Construction Engineering and Inspection Services.**

**RE: Answers to Submitted Questions.**

**Q: Will the City provide access to plans, specifications, and reimbursement agreement regarding the federal-aid funds involved?**

**A: Plans and specifications are currently in the final stage of development. The completed plans, specifications and federal-aid funding reimbursement agreement will be provided to the selected firm prior to the setting scope and fee for services. Additional information about the City Walk project is available on the City website.**
