TIP No.: SS-4912BO & W-5712I  
F.A. No.: HSIP-0016 (057)  
County: Catawba  
Description: Safety Improvements to the Intersections of US 70 and SR 1476 and the  
Intersections of NC 16 and SR 1746 / 1739.  
Let Date: August 14, 2018

**RE: Addendum #1 to Contract DL00180.**

To Whom It May Concern:

This letter is to advise all prospective bidders of the following contract changes:

Estimated Quantities for Line Item # 82 (Backplate) as shown on plan sheet Sig. 1 for TIP Project SS-4912BO do not agree with the quantities shown on the bid form and contained in the .ebs file. All bidders are hereby advised that the quantity (3) shown on Plan Sheet No. Sig. 1 better represent the estimated quantities for this project.

The bidder is also advised that these items are considered minor contract items and any price adjustment as it relates to Section 104-5 of Standard Specifications will be based on the revised quantity.

For bid purposes no changes will be made to the item quantities contained in the proposal or .ebs file. Contractors shall place their bids, as detailed in the instruction to bidders, on the items as they appear in the proposal with the knowledge that the actual quantities will be more than those represented on the bid form. This contract will be awarded in accordance with Section 103 of the 2012 Standard Specifications.
