NOTICE TO PROSPECTIVE BIDDERS

Contract No.: PRB.32630
Federal Aid No.: Helene Relief
TIP No.: N/A
WBS Element: 51830.2.13.45
Letting Date: February 25, 2026

This letter is to advise all prospective bidders of the following contract addendum:

Proposal Changes:

- Permits have been updated. Remove existing P-1. Replaced with P-1 thru P-49.
- Permit Cost Special Provision Added. See G-30
- Revised Bid Form to include Permit Cost (Line No. 46) Replaced S-1 thru S-2.
- Replaced amended proposal file on the Division 13 Letting page.

Additional Questions Submitted:

1. Will they take a certificate of grade instead of hammer stamp?
We can provide mill certifications for the grade and a certificate of treatment. The pieces will not be grade stamped since they are rough sawn. Are the certifications acceptable or will each piece need to be marked by the mill?

Answer: All timber and lumber products must be in accordance with Section 1082 of the 2024 Standard Specifications.

2. Have any arrangements been made with the land owner regarding material and equipment staging?

Answer: Until any right- of-way agreement can be verified that allows staging, the assumption should be made that it will be the contractor's responsibility to secure any staging areas.

(Continued on next page.)

Please make sure that you download and submit the new proposal document, **PRB.32630 Proposal Addendum 1**, available on the Division 13 Letting page in your bid package. You will also be required to sign page S-1 Addenda to acknowledge the issued addendum. Failure to submit the correct proposal document and not signing page S-1 Addenda may result in the rejection of your bid.

Sincerely,

Chad Loftis
Division Contracts Engineer
