Jackie McSwain

PRB.32862, Mitchell and Yancey Counties.

A bridge Replacement over Big Crabtree Creek, located at 581 and 885 Eagle Bridge Rd in Mitchell and Yancey Counties.

Bid Open Wednesday, March 4<sup>th</sup> at 2pm in the Division 13 office

Date of Availability - April 1, 2026

Completion – December 1, 2026 with Liquidated Damages of \$600 per calendar day.

All Bids must be received by NCDOT by 2pm.

There are bonds associated with this project.

Standard Bridge Design. This is a 50ft and 40 ft span length bridge with Steel I beams with timber decking. Wing Walls and Timber Bridge Railing are required.

Boring logs are attached to plans.

Discussed the Special Provision for permits. Building permits are needed and will be submitted by NCEM as soon as a contractor has been awarded the project.

Floodway permit has been received.

Ray Bode

Project is considered exempt from 404 permits. No work should occur within the stream. No structures, no parking machinery in the stream. All dewatering must occur from the top. New Structure will need to span channel completely.

Jackie McSwain

Any further questions should be directed to Chad Loftis by COB February 25 , 2026

Meeting Adjourned.
