ADDENDUM #2

See below notes based on questions received to date, attached updated spec section and bulletin drawing. This Addendum is considered a part of the Contract Documents and plans. Bidders shall review the Addendum and incorporate the modified requirements in their proposals. It is the Contractor's responsibility to assure that all changes and/or additions noted in the Addendum are included in the bid. Prime Contractors are responsible for assuring that their subcontractors and suppliers have received the information in all Addenda.

1. The rear access to the rest area is not along the accessible route. The accessible route is in the front of the building or along the other side of the Welcome Center. New construction to match existing conditions, maintaining accessibility where it exists currently.

2. The spec section 06600 Plastic fabrications did not list a price group.

Please include pricing for Price Group "C" in the contract amount.
