ADDENDUM # 1

To: Plan Holders
From: Andrew Buchanan 
Assistant Proposal Engineer

RE: **Question & Answer**
Contract ID: DN11885006
County: Division-Wide
Letting Date: April 9, 2019

A prospective bidder has asked the following question regarding the above contract:

Question: What would constitute as an emergency in this proposal? Does division expect the contractor to be on call 24 hours/ 7 days a week/ 365 days a year?

Answer: An emergency would be classified as a sudden, urgent, unexpected occurrence requiring immediate action. An example of this could be a broken pole, however various other emergency situations may arise. The contractor is expected to be on call 24/7/365 to respond to an emergency.

This does not change bid items or the associated quantities.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
