Content Summary: Question/Concern & Department Response

Bidder Questions/Concerns and Department Responses:

Bidder Concern 1: "Sheet #13 references sheet 2-A2 for details on the kayak launch. All I see is sheet 2-A1 which seems generic. Without a detail on this launch, I don't know how big it will be (number of steps). Could this sheet be provided, or a detail given?"

Department Response 1: A detail cannot be provided prior to the bid opening, but a detail will be provided prior to the availability date of the contract.

Also note: The elevation at the top of the Kayak Launch is approximately 2070.5' and the bottom of the launch (toe of stream) is approximately 2064.0', which will be a total of 10 stairs.
