NCDOT Pre-Bid Meeting Minutes

NCDOT Pre-Bid Meeting Minutes

Date: May 18, 2026

Time: 10:00 AM – 10:40 AM

Location: 253 Webster Rd Sylva, NC

Project: Signing IDIQ Contract (State & Federal)

Attendees

- Laura Greene – Assistant Division Proposal Engineer
- Daniel R Olson – Transcription/Support
- Stephen Buchanan – NCDOT Division Staff
- Darryn Knight – NCDOT Staff
- Eric Lovedahl – NCDOT Staff
- Jay Hollingsworth– NCDOT Staff
- Prospective Bidders / Contractor Representatives

1. Meeting Purpose

- The meeting was conducted to review mandatory bidding requirements, clarify proposal expectations, discuss work order processes, and address contractor questions prior to bid submission.

2. Bid Submission Requirements

- Bidders must be pre-qualified as a Prime or Bidder with the NCDOT Directory of Firms.
- The entire proposal package must be printed and submitted, including all addenda.
- Page 5 (Instructions to Bidders) must be fully completed.
- Bids equal to or exceeding \$5,000,000 will not be opened or read aloud.
- This is a single-award IDIQ contract.

3. Proposal Forms (S-Pages and T-Pages)

- S-Pages must include completed Non-Collusion, Debarment, and Gift Ban Certification forms with required signatures and corporate seal.
- T-Pages require unit prices for all items written in ink. Corrections must be single-lined, initialed, and rewritten.
- Unbalanced bids are not permitted.
- All math must be accurate and contractor information must be completed at the bottom of the T-Pages.

4. Post-Award Requirements

- A Certificate of Insurance must show \$5M per occurrence, \$5M aggregate, auto liability, and workers' compensation coverage.
- NCDOT must be listed as additional insured and contract ID included.
- Execution of Contract (EOC) form must be completed using the Post-Award tab.

5. Work Orders and Mobilization

- Work will be assigned via work orders; standard mobilization has been eliminated.
- Emergency Mobilization is the only remaining mobilization pay item.
- Work orders may be issued separately for steel procurement depending on lead times.
- Typical work orders include five or more signs unless emergency conditions require otherwise.

6. Traffic Control Requirements

- Traffic control is generally paid per day unless otherwise specified.
- Multiple lane closures performed within a single work day typically count as one day unless noted in the work order.

7. Materials and Installation Notes

- Square-tube surface-mount systems may be used where applicable.
- Channel posts may be needed in rocky areas.
- Increased use of 4-inch square posts is anticipated for maintenance efficiency.
- Logo signs are privatized; NCDOT will only relocate/remove as necessary.

8. Invoicing Requirements

- Contractors must submit formal invoices, typically one per work order.
- Some work orders may require additional breakdowns based on funding sources.

9. Additional Information

- IDIQ contracts do not guarantee work on every line item.
- Contractors are encouraged to contact the NCDOT Contracts Office with questions before bid submission.
