Content Summary: Replace Mandatory Pre-bid Provision

The above contract has experienced the following revisions:

1. Replace SPD 1-310 MANDATORY PRE-BID CONFERENCE (Prequalifying To Bid) on page G-1, with the attached revised provision SPI 1-14C – a virtual option has been added.

You will need to ensure that you identify all who are in attendance from your firm and confirm that their attendance and yours have been logged by the meeting hosts. Should your name and company name not appear on the attendance roster, your bid will not be read aloud; it will be rejected as it will be considered non-responsive.

These revisions do not change bid items or the associated quantities.

There is no ebsx addenda file associated with this addendum.

Please insert this addendum letter and any attachments into the addendum section of the proposal and sign the acknowledgment receipt of addendum form. Thank you for your attention to this matter.
