Plan Holders

Content Summary: Answer to submitted question

1. Is any of this underground?

Question is not clear. ID/IQ Contracts do not have an identified scope of work at bid letting and all line items/quantities are token items for bid purposes. Please refer to the provision Work Order Assignment (Multiple Awards) for ID/IQ for additional details.

2. Are there any shoring needs for this project?

ID/IQ Contracts do not have an identified scope of work at bid time, and all line items/quantities are token items for bid purposes. Please refer to the provision Work Order Assignment (Multiple Awards) for ID/IQ for additional details. If shoring needs are identified when a Work Assignment is scoped/developed, this would be addressed at the Work Assignment level.

3. Sounds like it could potentially involve some casting of manhole structures and use some manhole shields. Is this the case?

ID/IQ Contracts do not have an identified scope of work at bid time. Please refer to the provision Work Order Assignment (Multiple Awards) for ID/IQ for additional details. Please refer to line item number 7 *Repair of Masonry Drainage Structure* and associated

Project Special Provision for this item as detailed on page R-7. If additional construction needs are identified when a Work Assignment is scoped/developed and there is not a contract line item available to compensate for the work as detailed by NCDOT standard specifications and contract provisions, this would be addressed at the Work Assignment level.

Please insert this addendum letter and any attachments into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.

If you have any questions, please contact the Division Proposal Engineer at (828) 331-5200 or by email at D14contracts@ncdot.gov.

Sincerely,
