NOTIFICATION OF REJECTION

Memo To: All Bidders

From: J. P. Page, PE 
Division Four Project Manager

Re: Contract No. DD00095
Edgecombe County
Contract Resurfacing

Bid Date: September 10, 2013

This is to advise that NCDOT has rejected all bids for the subject project. The low bidder for the project did not include the correct bid item sheet. However, the Department is unable to verify the receipt by the low bidder of changes to the bid document. Additionally there was an omission by the Department in providing information on the advertisement website that changes had been made to the bid document. Therefore the Department is exercising its option to reject all and re-advertise the project at a later date.
