**Addendum No. 1**

RE: **DD00501**  
**Edgecombe County**

To Whom It May Concern:

Reference is made to the above-mentioned project. The following changes have been made:

1. Some of the WBS Numbers on the Summary of Quantities are incorrect. Please replace the existing SOQ sheets in the proposal with the attached pages.
2. The Standard Intersection Detail sheet was included in the Proposal, however, there are several intersections that may need additional milling and paving beyond the back of radius and to the existing pavement joints. These measurements were taken into account in the bid quantities. Attached is a spreadsheet that details the intersections and the work needed.

**This sheet and attachments shall be made a part of the plans and bid documents and shall be submitted with the bid. Bids submitted without the addenda and attachments will be considered non-responsive.**

If there are any questions, please contact me at (252) 640-6433.

Sincerely,
