Addendum No. 1

RE: **DD00441**
Wayne County

To Whom It May Concern:

Reference is made to the above-mentioned project. The following changes/additions have been made:

1. There was an error in the Description of Map #6, SR-1731/Piney Grove Church Road. The Description of this map has been corrected on the Summary of Quantities and an additional map sheet has been included to highlight this map. Please replace both Summary of Quantities sheets and all the map sheets in the proposal with the attached pages.
2. There are 3 maps that include shoulder reconstruction but the item/quantity for borrow was inadvertently left out. This has been corrected on the revised Summary of Quantities. Please also add the attached Proposal Item Sheets dated Nov 15, 2023 to the proposal as pages 124 and 125, as the original Proposal Item Sheets were not included in the advertised proposal.

This sheet and attachments shall be made a part of the plans and bid documents and shall be submitted with the bid. Bids submitted without the addenda and attachments will be considered non-responsive.

If there are any questions, please contact me at (252) 640-6433.

Sincerely,

DocuSigned by:
