- SUBJECT: ADDENDUM ONE FOR D5POC025 - Annual Needs for On-Call Litter Pickup in District 2 (Durham, Granville and Person Counties), WBS Element: 5.103211, 5.203211, 5.103911, 5.203911, 5.107311, 5.207311

MEMORANDUM TO PROSPECTIVE BIDDERS

This addendum is being issued to extend the time frame for response and completion of litter removal and to provide some additional information to potential bidders.

Please replace the second sentence of the General section on page 4 with the following information:

“The Engineer will notify the Contractor of locations that require litter cleanup throughout the life of the contract and the Contractor will have 7 days to mobilize and begin litter removal. The Contractor shall have litter removal completed within 14 days of notification. The notification shall be for a minimum of 10 shoulder miles (may consist of multiple routes within one county) of litter collection.”

Please replace Intermediate Contract Time (1) and Liquidated Damages on page 5 with the following information:

INTERMEDIATE CONTRACT TIME (1) AND LIQUIDATED DAMAGES

The Contractor will be required to pick up the litter and remove the trash bags from specific locations, as notified by the Department. The Contractor is required to mobilize and start litter removal within 7 days of notification of location/locations. The Contractor will be required to prosecute the work in a continuous and uninterrupted manner from the time he begins the work until completion of litter removal at the location. Litter removal shall be complete within 14 days of notification of location/locations. In the event that the Contractor fails to mobilize and start the litter and trash bags removal within 7 days, liquidated damages will be assessed. In the event that the Contractor fails to complete the litter collection and remove the trash bags within 14 days, liquidated damages will be assessed.

Liquidated damages for this contract are Fifty Dollars (\$50.00) for each 24 hour period that the Contractor fails to mobilize and start litter and trash bag removal within 7 days from the time of notification, as required by this contract.

Liquidated damages for this contract are Fifty Dollars (\$50.00) for each 24 hour period that the Contractor fails to complete the litter collection and trash bag removal within 14 days from the time of notification, as required by this contract.

Please replace the Notification of Work on page 11 with the following information:

NOTIFICATION OF WORK

The NCDOT will notify the Contractor of each location on the state highway system where litter collection and removal is required. Notification will be done by email (preferred), fax or phone. The notification shall be for a minimum of 10 shoulder miles (may consist of multiple routes within one county) of litter collection. At the time of notification the Engineer shall inform the Contractor of the facility type so that the Contractor can plan their operations and work zone traffic control. **The Contractor will have 7 days following notification to mobilize and begin litter collection. The Contractor will have 14 days following notification to complete litter collection and trash bag removal. The Contractor shall notify the NCDOT by email when litter collection and trash bag removal is completed.** All work shall be subject to inspection by the Engineer at any time

Please acknowledge receipt of this Addendum #1 on the ADDENDUM(S) page in the proposal.
