SUBJECT: ADDENDUM 2 FOR DE00166, I-5843, Structure and Signing Rehabilitation on I-85 in Granville County, WBS Elements: 44851.3.1

MEMORANDUM TO PROSPECTIVE BIDDERS

It has been brought to my attention that there is an error in the unit of measure for the pay item "Elastomeric Joint Header Repair". This item should be paid for as SF (as per the plans and special provision) not SY. Please find attached revised bid sheets.

In addition, there have been concerns over the warranty requirements for the HRCSA. Please note the following changes to the special provisions:

On page ST-33, OMIT (6) under the "Submittals" section (N). This documentation will NOT be required.

On page ST-37, REMOVE the second sentence of the "Penetrant and Paint System".

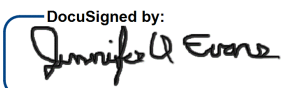

On page ST-44 and 45, OMIT the "Warranty" section. Please note, the 12- month observation period (see page ST-3) applies to the HRCSA.

As a result of this change the bid opening is DELAYED to 2:00 PM on Wednesday, November 30, 2016.

Please submit bid on revised bid sheets and acknowledge receipt of Addendum 2 in the proposal, if you are submitting a paper bid. This information will also be posted electronically on our website.

If bids are being prepared electronically a **NEW** .EBS file for bid preparation has been provided. Please DELETE the original EBS issued for the project. The new .ebs file has been uploaded to Bid Express to facilitate electronic bidding. For questions, please contact me at (919) 220-4600.

Sincerely,
