Letting Date:	October 5, 2022	Time:	2:00 PM

Instructions: Please make the following changes and adhere to the following clarifications on the bid referenced above.

Proposed Amendments / Changes / Clarifications:

1. **Clarification:**

- A. As stated in **Addendum 1**: The provision as listed in the *2018 NCDOT Standard Specifications for Roads & Structures*, Section 1205-3 (I), **will be adhered to**. More specifically, it states in part, that new thermoplastic to be installed over existing pavement marking materials other than thermoplastic (i.e. paint), will require the existing pavement marking material to first be removed by at least 85%. And for existing thermoplastic pavement markings, at least 25% of the oxidized, existing thermoplastic must first be removed.
- B. The cost for removing existing thermo or paint as discussed in Item A, shall be considered **Incidental** to the cost of installing the proposed Thermoplastic Pavement Markings. Include that cost in the unit prices bid for the proposed Thermoplastic Pavement Marking Line Items, as listed in the Contract Bid Form.
- C. In addition, any other costs that may be incurred as part of the proposed Thermoplastic Pavement Marking Installations, such as, but not limited to, premarking, grinding, painting over, cleanup, etc., shall be considered **Incidental** to the cost of installing the proposed Thermoplastic Pavement Markings. Include those costs in the unit prices bid for the proposed Thermoplastic Pavement Marking Line Items, as listed in the Contract Bid Form.

Addendum Execution:

Electronic On-line Bid through Bid Express®: No further action is necessary.
