EMERGENCY BID REQUIREMENTS

This is an Emergency Response contract and as such, the Department has determined that it is not feasible nor in the public's interest to comply with statutory bidding requirements in obtaining equipment and/or contractors for assistance in our cleanup efforts. This is being done pursuant to the authority granted by G.S. 136-28.1 (e). As a result, the following changes apply to this contract:

Any firm that wishes to bid as a prime contractor shall be prequalified with NCDOT as a Bidder or PO Prime Contractor or have the ability to become prequalified for the work being performed within 14 days of receipt of the contract. Information regarding prequalification can be found at: <https://connect.ncdot.gov/business/Prequal/Pages/default.aspx>.

Prior to performing the work, the prime contractor and/or subcontractor(s) shall be prequalified in the work code(s) which are identified as work items in the prime contractor's construction progress schedule that they will complete themselves. Any contractor identified as working outside their expertise may be considered in default of contract.
