By this addendum, the City of Greensboro is changing, revising the specifications or plans for the contract listed above as follows:

SPECIFICATIONS REVISED:

The **PROJECT LIST** section listed on Page 15 is to be deleted in its entirety and replaced with the following:

PROJECT LIST:

The Sidewalks will be installed at the following locations:

- **P05055, Bridford Parkway/Hornaday Road** – From Wendover on both sides where no sidewalk exists up to existing sidewalk west of Nicholas
- **P05056, Hewitt Street** - Norwalk Street to Merritt Drive on both sides where no sidewalk exists.
- **P05177, Big Tree Way** - Both sides from Wendover Avenue to Shelby Drive where none exists and the west side from Shelby Drive to Elk Hound Trail.
- **P05177A, Shelby Drive Sidewalk** – On the east side of Shelby Drive from Big Tree Way to Edith Lane.

Due to high GTA ridership and pending route changes, the City is requiring Bridford Parkway and Hornaday Road be completed first on this contract. Construction should begin on the east side of Bridford Parkway to complete work in the vicinity of WalMart as soon as possible. The existing bus

shelter located at Station 57+09 will be removed by GTA with two weeks' notice of beginning construction at that location.
