PROJECT SPECIAL PROVISIONS**GENERAL****SCOPE OF WORK:**

This contract is for the replacement of Bridge No. 038 over Cedar Fork Creek on SR 3225 (Farmer Road) in Randolph County.

This work shall consist of removal of the existing structure; clearing and grubbing; excavation and embankment; placement of substructure and superstructure; furnishing and installing concrete cored slabs; grading within limits of the project; placement of rip rap; temporary erosion control; seeding and mulching; drainage; roadway base course and pavement; installation of guardrail; and all other incidental items necessary to complete the project as specified and shown on the plans.

All work and materials shall be in accordance with the provisions of the General Guidelines of this contract, the Project Special Provisions, the current edition of the North Carolina Department of Transportation *Standard Specifications for Roads and Structures*, the current edition of the North Carolina Department of Transportation *Roadway Standards Drawings*, and the current edition of the *Manual of Uniform Traffic Control Devices* (MUTCD).

Wherever reference is given to codes, or standard specifications, or other data published by regulating agencies or accepted organizations, including but not limited to N.C. State Building Codes, Federal Specifications, ASTM Specifications, N.C. Department of Transportation 'Standard Specifications for Roads and Structures', and the like, it shall be understood that such reference is to the latest edition including addenda published prior to the date of the contract documents.

The Contractor shall keep himself fully informed of all Federal, State and local laws, ordinances, and regulations, and shall comply with the provisions of Section 107 of the *Standard Specifications*.

Traffic Control including detour will be performed by the Contractor. Refer to Traffic Management Plan.

DIVISION LET CONTRACT PREQUALIFICATION:

(07-01-14)(6-1-15)

SPD 01-410

Any firm that wishes to bid as a prime contractor shall be prequalified as a Bidder or PO Prime Contractor prior to submitting a bid. Information regarding prequalification can be found at: <https://connect.ncdot.gov/business/Prequal/Pages/default.aspx>.

In addition, the prime contractor and/or subcontractor(s) shall be prequalified in the work code(s) for which they identify as work items in the prime contractor's construction progress schedule that they will complete themselves. Any contractor identified as working outside their expertise may be considered in default of contract.
