**NO BID BOND REQUIRED**

# **INSTRUCTIONS TO BIDDERS**

**PLEASE READ ALL INSTRUCTIONS CAREFULLY  
BEFORE PREPARING AND SUBMITTING YOUR BID.**

**All bids shall be prepared and submitted in accordance with the following requirements. Failure to comply with any requirement shall cause the bid to be considered irregular and shall be grounds for rejection of the bid.**

1. The bid sheet furnished by NCDOT with the proposal shall be used and shall not be altered in any manner. **DO NOT SEPARATE THE BID SHEET FROM THE PROPOSAL!**
2. All entries on the bid sheet, including signatures, shall be written in ink.
3. The Bidder shall submit a unit price for every item on the bid form. The unit prices for the various contract items shall be written in figures.
4. An amount bid shall be entered on the bid sheet for every item. The amount bid for each item shall be determined by multiplying each unit bid by the quantity for that item, and shall be written in figures in the "Amount Bid" column of the sheet.
5. The total amount bid shall be written in figures in the proper place on the bid sheet. The total amount shall be determined by adding the amounts bid for each item.
6. Changes in any entry shall be made by marking through the entry in ink and making the correct entry adjacent thereto in ink. A representative of the Bidder shall initial the change in ink.
7. The bid shall be submitted with the entire proposal and shall be properly executed. All bids shall show the following information:
  - a. Name of individual, firm, corporation, partnership, or joint venture submitting bid.
  - b. Name of individual or representative submitting bid and position or title.
  - c. Name, signature, and position or title of witness.
  - d. Federal Identification Number
  - e. Contractor's License Number
8. Bids submitted by corporations shall bear the **seal of the corporation**.
9. The bid shall not contain any unauthorized additions, deletions, or conditional bids.
10. The bidder shall not add any provision reserving the right to accept or reject an award, or to enter into a contract pursuant to an award.
11. **THE PROPOSAL WITH THE BID SHEET STILL ATTACHED SHALL BE PLACED IN A SEALED ENVELOPE AND SHALL HAVE BEEN DELIVERED TO AND RECEIVED IN THE NCDOT 8<sup>th</sup> DIVISION OFFICE AT 902 N SANDHILLS BLVD., ABERDEEN, NC BY 2:00 P.M. ON WEDNESDAY, DECEMBER 18, 2013.**
12. The sealed bid must display the bidder's name and address and the following statement on the front of the sealed envelope:

**QUOTATION FOR WBS ELEMENT TO BE DETERMINED – TREE TRIMMING AND CUTTING SERVICES ON VARIOUS ROADS IN HOKE, LEE, AND MOORE COUNTIES TO BE OPENED AT 2:00 P.M., WEDNESDAY, DECEMBER 18, 2013.**

13. If delivered by mail or delivery service, the sealed envelope shall be placed in another sealed envelope and the outer envelope shall be addressed as follows:

## **AWARD OF CONTRACT**

The award of the contract, if it be awarded, will be made to the lowest responsible Bidder in accordance with Section 102 (excluding 102-10) of the current edition of the *Standard Specifications for Roads and Structures*. The lowest responsible bidder will be notified that his bid has been accepted and that he has been awarded the contract. NCDOT reserves the right to reject any or all bids.

# **PURCHASE ORDER CONTRACT**

## **PROJECT SPECIAL PROVISIONS**

### **GENERAL**

This contract is for tree trimming, cutting, and stump grinding services on an as needed basis in Hoke, Lee and Moore Counties. Work will consist of cutting trees and tree limbs, chipping and removal as needed, in accordance with Section 200-3 and 200-5 of the current *Standard Specifications*.

All work and materials shall be in accordance with the provisions of the General Guidelines of this contract, the Project Special Provisions, the current edition of the North Carolina Department of Transportation *Standard Specifications for Roads and Structures*, the current edition of the North Carolina Department of Transportation *Roadway Standards Drawings*, and the current edition of the *Manual of Uniform Traffic Control Devices* (MUTCD).

Wherever reference is given to codes, or standard specifications, or other data published by regulating agencies or accepted organizations, including but not limited to N.C. State Building Codes. Federal Specifications, ASTM Specifications, N.C. Department of Transportation "Standard Specifications for Roads and Structures", and the like, it shall be understood that such reference is to the latest edition including addenda published prior to and after the date of the contract documents.

The Contractor shall keep himself fully informed of all Federal, State and local laws, ordinances, and regulations, and shall comply with the provisions of Section 107 of the *Standard Specifications*.

### **SMALL BUSINESS ENTERPRISE PROGRAM**

This is a **Small Business Enterprise Program** project, and as such, will be restricted to businesses with a gross income of not more than \$1.5 million, excluding materials during the previous calendar year. **Only contractors currently certified as a SBE contractor by the Contractual Services Unit of NCDOT and listed in the Directory of Transportation Firms at bid opening will be eligible to bid on this project.**

Per G.S. 136-28.10, a North Carolina General Contractor's license may be waived for SBE contracts. For this project, the North Carolina General Contractor's license will be waived.

Per G.S. 136-28.10, contract payment and performance bonds may be waived. For this project, the contractor payment and performance bond will be waived.

Since general liability insurance is required, a copy of a certificate of insurance must also be submitted. Proof of small business status will be the previous year's income tax return. A copy of this return does not have to be submitted with this bid proposal, but may be requested at a later date.

**Prospective bidders who qualify for the SBE program and are not currently certified should submit a completed application packet prior to bid submittal to allow time for review. The application packet and additional information on the program may be obtained online at:**

<https://connect.ncdot.gov/business/SmallBusiness/Pages/SBE%20Certification%20Process.aspx>.

### **CONTRACT LIMITATIONS**

In accordance with GS 136-28.10 the total amount paid for work on this project shall not exceed five hundred thousand dollars (\$500,000.00) per year. If the cost of the amount of work successfully accomplished reaches \$500,000.00 within a one calendar year timeframe, the contract will be terminated and no additional work may be performed under the terms of this contract.

### **CONTRACT TIME AND LIQUIDATED DAMAGES**

1. **Term of the Contract-** The Contractor shall submit his bid for one year. At the option of the Department, this contract may be extended for two (2) additional periods of one (1) year each

(maximum three (3) years total). No changes in the terms, conditions, etc. of this contract will be made when an extension to the contract is implemented, except that there will be a clause to allow up to a maximum 5% increase in the existing contract unit prices. The Engineer will notify the Contractor in writing by November 1<sup>st</sup> if the contract may be extended. The Contractor must notify the Engineer in writing by November 15<sup>th</sup> of his/her acceptance or rejection of this offer. Failure on the part of the Contractor to reply will be received as a rejection of contract extension.

2. **The date of availability for this project is upon issuance of purchase order.** The Contractor will be notified in writing by the Engineer of job location and scope. Projects will be assigned on an as needed basis by the Engineer or his duly authorized representative. The Contractor will be required to pursue the work in a continuous and uninterrupted manner from the time he begins work until completion and acceptance of the work. Failure to begin work within 30 days of notification for each project or failure to pursue work in a continuous and uninterrupted manner may result in cancellation of the Contract. No work will be permitted and no purchase order will be issued until all prerequisite conditions and certifications have been satisfied.
3. **The completion date for this project is December 31, 2014.** If the term of the contract is extended, the date of availability in succeeding years will be January 1<sup>st</sup>, and the completion date will be December 31<sup>st</sup> each year. No extensions to the completion date will be authorized except as allowed by Article 108-10 of the current edition of the *Standard Specifications*.
4. There are no liquidated damages for routine tree cutting; however, if this crew is being used to clear Right of Way for new construction, they shall be completed in the time frame given by the County Maintenance Engineer.
5. **Liquidated damages for Emergency Call Back are Fifty Dollars (\$50.00) per calendar day for each calendar day for each occurrence when the Contractor fails to respond within the 7 day time period and pursue the work designated as emergency work until completed, as specified elsewhere in this contract.**

### **BASIS OF AWARD:**

The Contractor is advised that this is an annual needs contract and that the quantities as shown on the bid form are estimates only. Actual quantities will be determined on an as needed basis. The quantities shown on the bid form will be used to establish unit prices for each line item and determination of low bid only. The Contractor shall submit a unit price for every item on the bid form. The Department reserves the right to increase or reduce quantities with no adjustment in unit prices.

**Unit prices should reflect actual costs; in accordance with Article 102-14, unbalanced bids may be rejected.**

Quotations will be evaluated based on the total bid of all items. There are no guarantees either stated or implied for the quantities as shown on the bid form. **Payment to the successful low bidder will be based on actual quantities of work performed and accepted at the PER UNIT PRICE for each item as quoted.**

The Department reserves the right to reject any or all bids.

### **PROSECUTION OF WORK**

The provisions of Section 108 shall apply with the following additions:

The Contractor shall pursue the work diligently with workmen in sufficient numbers, abilities, and supervision, and with equipment, materials, and methods of constructions may be required to complete the work described in the contract by the completion date and in accordance with Section 108 of the current *Standard Specifications*.

Work shall only be performed when weather and visibility conditions allow safe operations.

The Contractor shall temporarily remove his equipment from the travel way from emergency vehicles and school buses as directed by the Engineer.

## **LIABILITY INSURANCE**

Page 1-59, Article 107-15 of the current *Standard Specifications* shall apply.

## **CONTRACTOR CLAIM SUBMITTAL FORM:**

(9-16-08)

RG 140

If the Contractor elects to file a written claim or requests an extension of the contract time, it shall be submitted on the Contractor Claim Submittal Form (CCSF) available through the Construction Unit or [http://ncdot.org/doh/operations/dp\\_chief\\_eng/constructionunit/formsmanuals/](http://ncdot.org/doh/operations/dp_chief_eng/constructionunit/formsmanuals/).

## **RESOURCE CONSERVATION:**

(5-21-13)

104-13

SPI G118

In accordance with North Carolina Executive Order 156, NCGS 130A-309.14(2), and NCGS 136-28.8, it is the policy of the Department to aid in the reduction of materials that become a part of our solid waste stream, to divert materials from landfills, and to find ways to recycle and reuse materials for the benefit of the Citizens of North Carolina.

Initiate, develop and use products and construction methods that incorporate the use of recycled or solid waste products in accordance with Article 104-13 of the *2012 Standard Specifications*. Report the quantities of reused or recycled materials either incorporated in the project or diverted from landfills on the Project Construction Reuse and Recycling Reporting Form.

A location-based tool for finding local recycling facilities and the Project Construction Reuse and Recycling Reporting Form are available at:

<http://connect.ncdot.gov/resources/Environmental/Pages/North-Carolina-Recycling-Locations.aspx>

## **OUTSOURCING OUTSIDE THE USA**

(9-21-04) (5-16-06)

SPI G150

All work on consultant contracts, services contracts, and construction contracts shall be performed in the United States of America. No work shall be outsourced outside of the United States of America. *Outsourcing* for the purpose of this provision is defined as the practice of subcontracting labor, work, services, staffing, or personnel to entities located outside of the United States.

The North Carolina Secretary of Transportation shall approve exceptions to this provision in writing.

## **LEGAL RELATIONS AND RESPONSIBILITY TO PUBLIC:**

(12-19-06)(Rev 3-16-10)

SPI G151

Page 1-53, Section 107 of the current *Standard Specifications* shall apply.

## **GIFTS FROM VENDORS AND CONTRACTORS:**

(12-15-09)

SPI G152

By Executive Order 24, issued by Governor Perdue, and *N.C. G.S. § 133-32*, it is unlawful for any vendor or contractor (i.e. architect, bidder, contractor, construction manager, design professional, engineer, landlord, offeror, seller, subcontractor, supplier, or vendor), to make gifts or to give favors to any State employee of the Governor's Cabinet Agencies (i.e. Administration, Commerce, Correction, Crime Control and Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Juvenile Justice and Delinquency Prevention, Revenue, Transportation, and the Office of the Governor). This prohibition covers those vendors and contractors who:

- (1) have a contract with a governmental agency; or
- (2) have performed under such a contract within the past year; or
- (3) anticipate bidding on such a contract in the future.

For additional information regarding the specific requirements and exemptions, vendors and contractors are encouraged to review Executive Order 24 and *G.S. § 133-32*.

Executive Order 24 also encouraged and invited other State Agencies to implement the requirements and prohibitions of the Executive Order to their agencies. Vendors and contractors should contact other State Agencies to determine if those agencies have adopted Executive Order 24.

### **MAINTENANCE OF PROJECT:**

The Contractor shall maintain the project from the date construction begins until project is finally accepted in accordance with Section 104-10, Maintenance of Project, Section 104-11, Final Clean Up, and Section 105-16, Failure to Maintain the Project or Perform Erosion Control Work.

### **PAYMENT AND RETAINAGE**

All work items necessary to complete the work other than listed on the "Bid Proposal Form" will be considered incidental in nature and no further compensation will be made. Any work performed in an unsatisfactory manner could be the basis for cancellation of the contract.

Quantities on the "Bid Proposal Form" are for bid evaluation only and do not reflect the purchase order limits. Purchase order quantities will be based on actual need. Section 104-5 of the current *Standard Specifications* apply. The Engineer reserves the right to make, at any time during the work, such changes in the quantities as necessary to satisfactorily complete the project.

Any damage caused by the Contractor to adjacent shoulders, medians, paved areas, or other facilities shall be repaired or replaced by the Contractor to the satisfaction of the engineer at no cost to the Department.

All work performed by the Contractor shall be in compliance with the current *Standard Specifications* and workmanship/appearance done to the satisfaction of the Engineer.

The Contractor may submit a request for partial payment on a monthly basis, or other interval as approved by the Engineer. The amount of partial payments will be based on the work accomplished and accepted as the last day of the approved pay period. One hundred percent (100%) payment shall be made after successful completion of the work and all quantities have been verified. The invoices will show the requisition number and purchase order number and should state "Terms Net Ten (10) Days". There will be no retainage held on this project. The invoices shall be sent to Mr. M. C. Tillman, District Engineer, P. O. Box 1067, Aberdeen, N.C. 28315. Any invoices sent to other addresses will delay payment.

### **EMPLOYMENT:**

(11-15-11) (Rev. 1-17-12)

108, 102

SP1 G184

Revise the 2012 *Standard Specifications* as follows:

**Page 1-20, Subarticle 102-15(O)**, delete and replace with the following:

**(O)** Failure to restrict a former Department employee as prohibited by Article 108-5.

**Page 1-65, Article 108-5 Character of Workmen, Methods, and Equipment, line 32**, delete all of line 32, the first sentence of the second paragraph and the first word of the second sentence of the second paragraph.

### **STATE HIGHWAY ADMINISTRATOR TITLE CHANGE:**

(9-18-12)

SP1 G185

Revise the 2012 *Standard Specifications* as follows:

Replace all references to "State Highway Administrator" with "Chief Engineer".

**SMALL BUSINESS ENTERPRISE CONTRACT**  
**PROJECT SPECIAL PROVISIONS**

**ROADWAY**

**TREE CUTTING**

The Contractor shall furnish a five (5) person tree cutting crew on an as needed basis in Hoke, Lee and Moore Counties. It is the intent of this contract to use a five (5) person crew for tree cutting and traffic control/traffic flagging. Payment will be made for the hours worked under a Five (5) Person Crew, as indicated on the attached bid sheet. Payment for a five (5) person crew shall be considered full compensation for all tree cutting, trimming, brush chipping, waste disposal, labor, equipment, materials, wear and tear, fuel costs, and other incidentals necessary to perform the work. Requirements for crew structure, work time, and other miscellaneous items are as follows:

**Crew Structure**

*Five Person Crew*                      50' aerial lift with brush chipper, 3 chainsaws, foreman, operator, and one ground person, and truck with at least 4 cy bed capacity

**Work Time**

*Short Term*                              Work shall be defined as a period less than 40 hours. When called to perform services, the Contractor shall be guaranteed a minimum of one day's work (eight hours). Short term work shall be paid per hour for work at the short term rate for the applicable crew size.

*Weekly*                                      Work shall be defined as a period of 40 hours worked from Sunday to Saturday. Weekly work shall be paid per hour for the applicable crew size at the weekly rate.

*Overtime*                                  Work shall be defined as work in excess of 40 hours in a period from Sunday to Saturday. Overtime work shall be paid at the overtime rate for hours in excess of 40. The first 40 hours will be paid for at the weekly rate.

Contractor will be guaranteed at least a one workday minimum (eight hours) when called to perform services.

- Examples: 1) If called and told we have about a one day job;
- A) Contractor completes all assigned work in five hours - he will be paid for eight hours
  - B) Contractor works eight hours 1<sup>st</sup> day but does not complete the job, therefore has to come back the following day and work three hours - he will be paid for eleven hours
- 2) If called and told we have a two day job;
- A) Contractor completes all work in seven hours - he will be paid for eight hours
  - B) If contractor requires more than one day - he will be paid for actual time worked

Normal work time is Monday thru Friday, 7:00 AM until 3:30 PM. Contractor may be allowed to work outside these hours under emergency conditions, when arrangements are made in advance, or as directed by the Engineer.

The contractor will be notified on routine tree work by the Engineer and shall begin work within 30 days after notification as determined by Engineer. Failure to respond within the designated time frame or as approved by the Engineer may result in cancellation of this contract.

## **Equipment**

<i>Brush Chipper</i>	The Contractor shall furnish a brush chipper capable of chipping a minimum of a 9" diameter limb. Equipment shall have all shields, guards, and covers in place and secure.
<i>Aerial Lift</i>	The Contractor shall furnish an aerial lift truck with a minimum working height of 50'.
<i>Chainsaws</i>	The Contractor shall have available a minimum of three (3) chainsaws to perform the work for the five (5) man crew.

## **Miscellaneous**

Contractor is to provide all transportation to and from work sites and is to provide all saws, safety equipment, and miscellaneous supplies, signs and equipment to insure safe, and efficient operation. All such equipment and supplies are to be considered incidental items and will not be pay items.

## **EMERGENCY CALL BACK**

A separate bid item will be used for emergency call back mobilization and shall include a cost for mobilizing into the county on emergency basis. This item is intended to be used for removal of trees considered a hazard, and could be used for storm damage, and in some instances for a project to proceed or stay on schedule.

Under this item the Contractor must mobilize into the District within 7 calendar days of notification to perform emergency tree work. Once the Contractor has mobilized into the District for an emergency call back mobilization, he must perform all work designated by the Engineer to be completed. Liquidated damages for this contract are Fifty Dollars (\$50.00) per day for each occurrence when the Contractor fails to respond within the 7 day time period **and** pursue the work designated as emergency work until completed. The price for Emergency Call Back Mobilization for tree work shall include the cost of mobilizing into the District on an emergency basis. The contractor will also be paid for the applicable bid items for the type of work performed.

In order to qualify for the item Emergency Call Back Mobilization the following conditions must be met:

- a. The Engineer gives notice to the Contractor authorizing the move in.
- b. The Contractor is not already in the District performing tree work. Therefore, the contractor will not be eligible for Emergency Call Back Mobilization if already in the District performing tree work. (Note that the Contractor may be notified of several emergency requests under one Emergency Call Back Mobilization).
- c. The last time the Contractor was in the District making repairs, all available work was completed and was released by the Engineer.
- d. The Contractor responded with adequate personnel, equipment and materials to complete the work and pursued the work until completed.

Emergency tree work will have no minimum limits and the Contractor shall be paid per each for Emergency Call Back Mobilization for each mobilization meeting the conditions listed above. Payment for Emergency call back Mobilization will be considered full payment for all labor, equipment, materials, and incidentals necessary to make the repairs.

## **STUMP GRINDING**

The Contractor shall furnish and operate a stump grinder capable of grinding a stump to a minimum depth of 12" below the ground surface. Mulch created by grinding of the stump shall be raked down or removed to blend the area in with the surrounding ground. Payment will be made for the number of hours in performance of the work under the item *Stump Grinding*. Payment for stump grinding shall be considered full compensation for all labor, materials, equipment, and incidentals required to perform the work.

## **DRIVEWAYS AND PRIVATE PROPERTY**

The Contractor shall maintain access to driveways for all residents and property owners throughout the life of the project.

The Contractor shall not perform work for private citizens or agencies in conjunction with this project or within the project limits of this contract.

## **TRAFFIC CONTROL AND WORK ZONE SAFETY**

The Contractor shall maintain traffic during construction and provide, install, and maintain all traffic control devices in accordance with these project guidelines, the Project Special Provisions, North Carolina Department of Transportation *Standard Specifications for Roads and Structures 2012*, and the current edition of the *Manual of Uniform Traffic Control Devices* (MUTCD).

The Contractor shall utilize complete and proper traffic controls and traffic control devices during all operations. All traffic control and traffic control devices required for any operation shall be functional and in place prior to the commencement of that operation. Signs for temporary operations shall be removed during periods of inactivity. The Contractor is required to leave the project in a manner that will be safe to the traveling public and which will not impede motorists.

Traffic movements through lane closures on roads with two way traffic shall be controlled by flaggers stationed at each end of the work zone. In situations where sight distance is limited, the Contractor shall provide additional means of controlling traffic, including, but not limited to, two-way radios, pilot vehicles, or additional flaggers. Flaggers shall be competent personnel, adequately trained in flagging procedures, and furnished with proper safety devices and equipment, including, but not limited to, safety vests and stop/slow paddles. No direct payment shall be made for traffic control and work zone safety items as they shall be considered incidental to other contract items, unless specifically identified in these standards or special provisions.

All personnel when working in traffic areas or areas in close proximity to traffic shall wear an approved safety vest, or shirt or jacket and hat or helmet which meets the color requirements of the *Manual of Uniform Traffic Control Devices* (MUTCD).

The Contractor shall comply with all applicable Federal, State, and local laws, ordinances, and regulations governing safety, health, and sanitation, and shall provide all safeguards, safety devices, and protective equipment, and shall take any other needed actions, on his own responsibility that are reasonably necessary to protect the life and health of employees on the job and the safety of the public, and to protect property in connection with the performance of the work covered by the contract.

Failure to comply with any of the requirements for safety and traffic control of this contract shall result in suspension of work as provided in subarticle 108-7(2) of the *Standard Specifications*.

When work is performed on multilane facilities in areas needing a full lane closure or as determined by the Engineer, the Contractor shall provide a full lane closure in accordance with latest edition of the *Manual on Uniform Traffic Control Devices* and payment will be made on a separate bid item for *Traffic Control for Full Lane Closure (Primary Routes Only)*. The price for *Traffic Control for Full Lane Closure (Primary Routes Only)* will be full compensation for all costs of furnishing, installing, maintaining, relocating, and finally removing any and all Signs (portable, stationary, barricade, or detour), Barricades, Drums, Cones, Flashing Arrow Panels (FAP), Truck Mounted Impact Attenuators (TMIA), and all other traffic control devices required to safely perform the construction work and protect the public. This item will be applicable for each location when the Engineer authorizes a full lane closure.

Payment will be made under:

<b>Pay Item</b>	<b>Pay Unit</b>
Traffic Control for Full Lane Closure (Primary Routes Only)	Each

# **SMALL BUSINESS ENTERPRISE CONTRACT**

## **PROJECT STANDARD PROVISIONS**

### **AUTHORITY OF THE ENGINEER**

In accordance with Section 105 of the current *Standard Specifications for Roads and Structures* and the following provisions, the Engineer for this project shall be the Division Engineer, Division 8, Division of Highways, North Carolina Department of Transportation, acting directly or through his duly authorized representatives.

The Engineer will decide all questions which may arise as to the quality and acceptability of work performed and as to the rate of progress of the work; all questions which may arise as to the interpretation of the contract; and all questions as to the acceptable fulfillment of the contract on the part of the Contractor. His decision shall be final and he shall have executive authority to enforce and make effective such decisions and orders as the Contractor fails to carry out promptly.

### **SUBLETTING OF CONTRACT**

The Contractor shall not sublet, sell, transfer, assign or otherwise dispose of this contract or any portion thereof; or his right, title, or interest therein; without written consent of the Engineer. Subletting of this contract or any portion of the contract shall conform to the requirements of Article 108-6 of the *Standard Specifications*.

### **MATERIALS AND TESTING**

The Engineer reserves the right to perform all sampling and testing in accordance with Section 106 of the current *Standard Specifications* and the Department's "Materials and Test Manual." However, the Engineer may reduce the frequency of sampling and testing where he deems it appropriate for the project under construction.

The Contractor shall furnish the applicable certifications and documentation for all materials as required by the current *Standard Specifications*. Material which is not properly certified will not be accepted.

### **UTILITY CONFLICTS**

It shall be the responsibility of the Contractor to contact all affected utility owners and determine the precise locations of all utilities prior to beginning construction. Utility owners shall be contacted a minimum of 48 hours prior to the commencement of operations. Special care shall be used in working around or near existing utilities, protecting them when necessary to provide uninterrupted service. In the event that any utility service is interrupted, the Contractor shall notify the utility owner immediately and shall cooperate with the owner, or his representative, in the restoration of service in the shortest time possible. Existing fire hydrants shall be kept accessible to fire departments at all times.

The Contractor shall adhere to all applicable regulations and follow accepted safety procedures when working in the vicinity of utilities in order to insure the safety of construction personnel and the public.

### **INSPECTION**

All work shall be subject to inspection by the Engineer at any time. Routinely, the Engineer will make periodic inspections of the completed work. It will be the responsibility of the Contractor to keep the Engineer informed of his proposed work plan and to submit written reports of work accomplished on a frequency to be determined by the Engineer.

### **SUPERVISION BY CONTRACTOR**

At all times during the life of the project the Contractor shall provide one permanent employee who shall have the authority and capability for overall responsibility of the project and who shall be personally

available at the work site within 24 hours-notice. Such employee shall be fully authorized to negotiate and execute all supplemental agreements and to execute the orders or directions of the Engineer.

At all times that work is actually being performed, the Contractor shall have present on the project one competent individual who is authorized to act in a supervisory capacity over all work on the project. The individual who has been so authorized shall be experienced in the type of work being performed and shall be fully capable of managing, directing, and coordinating the work; of reading and thoroughly understanding the contract; and receiving and carrying out directions from the Engineer or his authorized representatives. He shall be an employee of the Contractor unless otherwise approved by the Engineer.

The Contractor may, at his option, designate one employee to meet the requirements of both positions. However, whenever the designated employee is absent from the work site, an authorized individual qualified to act in a supervisory capacity on the project shall be present.

### **EXTENSION OF CONTRACT TIME**

Failure on the part of the Contractor to furnish bonds or certifications or to satisfy preliminary requirements necessary to issue the purchase order will not constitute grounds for extension of the contract time. If the Contractor has fulfilled all preliminary requirements for the issuance of a purchase order, and the purchase order authorization is not available by the date of availability, the Contractor shall be granted an extension equal to the number of calendar days the purchase order authorization is delayed after the date of availability.

### **PROSECUTION AND PROGRESS**

The Contractor shall pursue the work diligently with workmen in sufficient numbers, abilities, and supervision, and with equipment, materials, and methods of construction as may be required to complete the work described in the contract by the completion date and in accordance with Section 108 of the *Standard Specifications*.

The Contractor's operations are restricted to daylight hours. No work may be performed on Sundays and legal State holidays. Work shall only be performed when weather and visibility conditions allow safe operations.

The Contractor shall temporarily remove his equipment from the travelway for emergency vehicles and school buses as directed by the Engineer.

**STANDARD SPECIAL PROVISIONS**  
**AVAILABILITY OF FUNDS – TERMINATION OF CONTRACTS**

(5-20-08)

Z 2

*General Statute 143C-6-11. (h) Highway Appropriation* is hereby incorporated verbatim in this contract as follows:

(h) Amounts Encumbered. – Transportation project appropriations may be encumbered in the amount of allotments made to the Department of Transportation by the Director for the estimated payments for transportation project contract work to be performed in the appropriation fiscal year. The allotments shall be multiyear allotments and shall be based on estimated revenues and shall be subject to the maximum contract authority contained in *General Statute 143C-6-11(c)*. Payment for transportation project work performed pursuant to contract in any fiscal year other than the current fiscal year is subject to appropriations by the General Assembly. Transportation project contracts shall contain a schedule of estimated completion progress, and any acceleration of this progress shall be subject to the approval of the Department of Transportation provided funds are available. The State reserves the right to terminate or suspend any transportation project contract, and any transportation project contract shall be so terminated or suspended if funds will not be available for payment of the work to be performed during that fiscal year pursuant to the contract. In the event of termination of any contract, the contractor shall be given a written notice of termination at least 60 days before completion of scheduled work for which funds are available. In the event of termination, the contractor shall be paid for the work already performed in accordance with the contract specifications.

Payment will be made on any contract terminated pursuant to the special provision in accordance with Article 108-13(E), of the current *North Carolina Department of Transportation Standard Specifications for Roads and Structures*.

## **STANDARD SPECIAL PROVISION**

### **PLANT AND PEST QUARANTINES**

#### **(Imported Fire Ant, Gypsy Moth, Witchweed, And Other Noxious Weeds)**

(3-18-03) (Rev. 10-15-13)

Z-04a

#### **Within Quarantined Area**

This project may be within a county regulated for plant and/or pests. If the project or any part of the Contractor's operations is located within a quarantined area, thoroughly clean all equipment prior to moving out of the quarantined area. Comply with federal/state regulations by obtaining a certificate or limited permit for any regulated article moving from the quarantined area.

#### **Originating in a Quarantined County**

Obtain a certificate or limited permit issued by the N.C. Department of Agriculture/United States Department of Agriculture. Have the certificate or limited permit accompany the article when it arrives at the project site.

#### **Contact**

Contact the N.C. Department of Agriculture/United States Department of Agriculture at 1-800-206-9333, 919-733-6932, or <http://www.ncagr.gov/plantind/> to determine those specific project sites located in the quarantined area or for any regulated article used on this project originating in a quarantined county.

#### **Regulated Articles Include**

1. Soil, sand, gravel, compost, peat, humus, muck, and decomposed manure, separately or with other articles. This includes movement of articles listed above that may be associated with cut/waste, ditch pulling, and shoulder cutting.
2. Plants with roots including grass sod.
3. Plant crowns and roots.
4. Bulbs, corms, rhizomes, and tubers of ornamental plants.
5. Hay, straw, fodder, and plant litter of any kind.
6. Clearing and grubbing debris.
7. Used agricultural cultivating and harvesting equipment.
8. Used earth-moving equipment.
9. Any other products, articles, or means of conveyance, of any character, if determined by an inspector to present a hazard of spreading imported fire ant, gypsy moth, witchweed or other noxious weeds.

## STANDARD SPECIAL PROVISION

## DEBARMENT CERTIFICATION

Conditions for certification:

1. The prequalified bidder shall provide immediate written notice to the Department if at any time the bidder learns that his certification was erroneous when he submitted his debarment certification or explanation that is file with the Department, or has become erroneous because of changed circumstances.
2. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this provision, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. A copy of the Federal Rules requiring this certification and detailing the definitions and coverages may be obtained from the Contract Officer of the Department.
3. The prequalified bidder agrees by submitting this form, that he will not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in NCDOT contracts, unless authorized by the Department.
4. For Federal Aid projects, the prequalified bidder further agrees that by submitting this form he will include the Federal-Aid Provision titled Required Contract Provisions Federal-Aid Construction Contract (Form FHWA PR 1273) provided by the Department, without subsequent modification, in all lower tier covered transactions.
5. The prequalified bidder may rely upon a certification of a participant in a lower tier covered transaction that he is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless he knows that the certification is erroneous. The bidder may decide the method and frequency by which he will determine the eligibility of his subcontractors.
6. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this provision. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
7. Except as authorized in paragraph 6 herein, the Department may terminate any contract if the bidder knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available by the Federal Government.

## DEBARMENT CERTIFICATION

The prequalified bidder certifies to the best of his knowledge and belief, that he and his principals:

- a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
- b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records; making false statements; or receiving stolen property;
- c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph b. of this certification; and
- d. Have not within a three-year period preceding this proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- e. Will submit a revised Debarment Certification immediately if his status changes and will show in his bid proposal an explanation for the change in status.

If the prequalified bidder cannot certify that he is not debarred, he shall provide an explanation with this submittal. An explanation will not necessarily result in denial of participation in a contract.

Failure to submit a non-collusion affidavit and debarment certification will result in the prequalified bidder's bid being considered non-responsive.

Check here if an explanation is attached to this certification.
