

EB-5958 – Town of Bermuda Run – Blue Heron Trail

The Bermuda Run Blue Heron Trail Project will Re-Bid on November 9, 2021 at 10 am in the Bermuda Run Town Hall at 120 Kinderton Blvd, Suite 100, Bermuda Run, NC 27006

The Project involves 5,500 lf of 10' wide asphalt walking path, a pedestrian bridge, pedestrian culvert refurbishment, trail lighting, a 107' 48" jack and bore, and miscellaneous stormwater work.

This is a NCDOT funded "Buy American" project. Bidders must be NCDOT prequalified for this type of contract.

A pre-Bid Meeting will be held on Monday October 25, 2021 at 10 am in the Bermuda Run Town Hall.

The last Day for questions will be Wednesday November 3, 2021.

The Project is expected to start construction on January 4, 2022 and be substantially complete by April 15, 2023 with full vegetation establishment 6 months thereafter.

Project documents, including CAD files may be accessed from the following link.
