

APRIL 23, 2015

TO: PROSPECTIVE BIDDERS
FROM: GABE DOBBS, PROJECT ENGINEER (KIMLEY-HORN) ON BEHALF OF TOWN OF MATTHEWS
SUBJECT: ADDENDUM 2 – WBS 39077.3.F3 (MUNICIPAL CONTRACT FOR U-4713B CAMPUS RIDGE RD. REALIGNMENT) – Questions from Bidders

Changes to Bid Schedule of prices are below:

Bid item #4, "undercut excavation" has changed from 500 CY to 5,800 CY. The Contractors bid must include this updated quantity. Contractor is to replace the attached sheet into their project manual for the updated "Schedule of Prices"

Bid item #4B, "Geotextile for soil stabilization" has been added to the "Schedule of prices"

The following responses are from questions by contractors.

Question #1 - "Can the erosion control plan be changed"

Answer #1 - The erosion control plan has been approved by the North Carolina Department of Environment and Natural Resources (NCDENR). The Contractor can request changes to the erosion control plan from NCDENR at no cost to the Engineer, Town of Matthews, or NCDOT.

Question #2 – "Is the bypass required for the installation of the culverts?"

Answer #2 - The erosion control plan has been approved by the North Carolina Department of Environment and Natural Resources (NCDENR). The Contractor can request changes to the erosion control plan from NCDENR at no cost to the Engineer, Town of Matthews, or NCDOT.

Question #3 – "The traffic control plans show the east side of E. John Street being constructed first. Can the west side be constructed first?"

Answer #3 – The west side of east John Street can be constructed prior to the east side at no additional cost to the Engineer, Town of Matthews, or NCDOT. Approval for traffic control changes must be approved by the NCDOT inspector.

Question #4 – Have contract availability and completion dates have been determined?

Answer #4 – the Date of Availability is June 1st, 2015. A completion date of December 15th, 2015 is set. As stated in the contract documents, liquidated damages have been set at \$500 per calendar day.

Question #5 – What is to be included in the bid submittal?

Answer #5 – The following items are to be included in the bid:

- Contract Proposal
- Proposal Form

APRIL 23, 2015

- Additional bidders certification
- Schedule of prices
- Signature Sheet
- Execution of Bid
- E-verify affidavit
- Bid bond
- List of DBE subcontractors

-END OF ADDENDUM #2
