Description: Flagging for NCDOT Maintenance Operations on Various Primary and Secondary Roads

Addendum No. 2
August 21, 2024 Letting

To: Prospective Bidders

Please note the following revision to the proposal for the above referenced project.

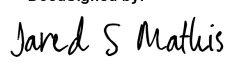

- For "Mobilization and Liquidated Damages for ID/IQ" (SPD 01-820) Remove the first paragraph and replace it with the following: The Contractor shall mobilize to each location he is required to perform work. There will be no direct pay for Mobilization as it will be incidental to the other bid items. However, if NCDOT cancels any work order within 24 hours prior to the commencement of work, the contractor will be entitled to a payment equivalent to four (4) hours of the line item "Traffic Control Services". The only other exception is if there is an Emergency Mobilization provision within the contract.

The changes and attachments included with this addendum will become part of contract MJ00051.

Please sign the Addendum acknowledgement form on page 28 of the proposal and submit the form with your bid.
