Description: Polypropylene Barrier Wall Construction on Various Routes upon Request

Dear Sirs:

Following a review of the bids submitted for the above project opened on October 29, 2015 at 10:00 A.M. at the Division Engineer's Office, your bid was rejected for failure to comply with the Preparation and Submission of Bids Provision contained on Pages 7 and 8 of the Contract Proposal. **Effective July 1, 2014**, Division Let contracts should only be awarded to firms listed in the [Directory of Transportation Firms](#) as either a Bidder or PO Prime Contractor. After this date, firms that are prequalified as Subcontractors only cannot bid on Division Let projects. For this reason the North Carolina Department of Transportation cannot accept your bid submittal for this project. I am sorry that I cannot offer a favorable response in this matter

Thank you for your interest in bidding on this project and we look forward to working with you on other projects in the future. If I can be of any other assistance, call this office at (336) 903-9138.

Sincerely,

A handwritten signature in black ink that reads 'Joe L. Laws'.
