Contract No.: DL00182 (I-5713)
WBS No.: 50132.3.1
Location: I-85 and SR 2200 (Cox Rd)
County: Gaston
Description: I-85 NB & SB Off Ramps Improvements
Let Date: May 22, 2018

RE: Addendum #1 to Contract DL00182.

To Whom It May Concern:

This letter is to advise all prospective bidders of the following contract changes:

Estimated Quantities shown on Plan Sheet No. 4 under Detail A for Drainage Ditch Excavation, Geotextile for Drainage, and Class B Rip-Rap differ from the corresponding estimated quantities shown for Items #6, #28, & #29 on the bid form and .ebs file. All bidders are hereby advised that the quantities shown on Plan Sheet No. 4 under Detail A better represent the estimated quantities for this project.

Be also advised that these items are considered minor contract items and according to Section 104-5 (C) of Standard Specifications, "No revision will be made to the contract unit price for any minor contract item that underruns the original bid quantity."

For bid purposes no changes will be made to the item quantities contained in the proposal or .ebs file. Contractors shall place their bids, as detailed in the instruction to bidders, on the items as they appear in the proposal with the knowledge that the actual quantities will be less than those represented on the bid form. This contract will be awarded in accordance with Section 103 of the 2018 Standard Specifications.

To bid electronically you must apply the addendum file which can be downloaded along with the original .ebs file from bidx.com. To apply the addendum open the original EBS file using Expedite Software and select Load Amendment from the File Menu.
