**Addendum No. 1**

Re: EB Number: EB-5530 & EB-5532

Iredell County

**Old Mountain Road and HWY 21 Greenway Trails in Iredell County.**

**September 22, 2016 Letting**

To whom it may concern:

Reference is made to the proposal form recently furnished to you on the above project.

The following questions have been asked about the above project Bid Bonds:

1. If there are two different contracts, will two Bid Bonds be required?
2. Since the DBE goal is 10%, will that 10% be required for each contract or for both contracts combined?

In response to the above questions, we offer the below clarification responses:

1. Each project will need to have its own Bid Bond and a bid bond to cover both, if bidding both contracts. If the bidder is only bidding one contract, then only one bid bond will be required and if bidding both contracts, then three bid bonds will be required.
2. The DBE goal of 10% will need to be met for each contract being bid. 10% for contract A, 10% for contract B, and 10% for contracts A & B if bidding both contracts.

Sincerely,

Todd J. Poteet, PE
