RE:

Contract ID: DN00225  
County: Transylvania  
Letting Date: May 7, 2013

The notes on the plan sheet S-2 are revised as follows:

- The ninth note seems to indicate that all dimensions are for information, only. The intention is that the dimensions and spacing associated with the anchor bolts are for information, only, and they should be coordinate with the superstructure fabricator.
- The 13<sup>th</sup> note should be revised. The most recent NCDOT Standard Specifications is dated January 2012, not July 2012.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
