Swain and Transylvania  
Letting Date: May 8, 2018

A bidder has posed the following questions; the corresponding answers are

**Questions:**

**It appears that all traffic control item quantities are only for the bridges outlined on TMP-27. Are traffic control items for all other bridges considered incidental? Are the incidental items as outlined on TMP-27 only for the nine (9) bridge sites listed? Is all other traffic control for the other sixty-four sites considered incidental and will not be pay items?**

**Answers:**

**On sheet TMP-27 the incidental row on that sheet are for the bridges with just joint replacement work. The consultant estimated what the contractor would need daily to replace joints on multiple bridges, those quantities are included in the engineering estimate.**

These revisions do not change bid items or the associated quantities.
