RE: **Revision to Pages 13 and T-1 of the contract**
Contract ID: DN11534152
County: Cherokee
Letting Date: October 13, 2015

The above contract has experienced some scope revisions.

Please replace pages 13 and T-1 of your contract.

Page 13 changed the flaggers pay unit from Hourly to **Man Day**, and the flagging scope was increased, adding the following route locations: **NC 141, and along US 64 between SR1548 (Old US 64) and Clay County.**

Page T-1 was revised the pay unit for flaggers from Hourly to **Man Day**, and the flagging scope was changed to **35 Man Days.**

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.

Measurement and Payment

Long Arm Mowing (Shoulder Mile) will be measured and paid for as the actual number of shoulder miles that has been acceptably mowed. Work will be paid for at the unit price bid in the contract for each bid item and this rate shall be full compensation for all equipment, labor, accessories, materials, and traffic control devices required to accomplish the work. No separate payment will be made for debris removal or disposal.

Long Arm Mowing (Hourly) will be measured and paid for as the actual number of hours mowed per tractor for areas of vegetation removal within right-of-way that are; irregular in shape, do not conform to the provided typical sections, or as directed by the Project Engineer or his/her appointed representative, which will include, but is not limited to: mowing route US19/74/129 between NC141 and SR-1393, Rocky Branch Road, (4-Lane Divided Highway). Work will be paid for at the unit price bid in the contract for each bid item and this rate shall be full compensation for all equipment, labor, accessories, materials, and traffic control devices required to accomplish the work. No separate payment will be made for debris removal or disposal.

Flaggers (Man Day) will be measured and paid for as the actual number of man days flaggers are needed to control traffic, while mowing operations are underway along US 19/74/129 between SR-1393, Rocky Creek Road, along the Cherokee County/Macon County line, (2-lane Non-Divided Highway) along NC 141, and along US 64 between SR1548 (Old US 64) and Clay County.

All work necessary to complete the work other than listed on the "Bid Proposal Form" will be considered incidental in nature and no further compensation will be made. Any work performed in an unsatisfactory manner could be a basis for cancellation of the contract.

Payment will be made under:
