ADDENDUM #3

To: Plan Holders

From: Wanda H. Austin, PE
Proposals Engineer

RE:
Contract ID: DN00339
County: Henderson
Letting Date: October 14, 2014

The contract time has been extended to May 15, 2016. Very Early Strength Latex Modified Concrete will not be allowed. Recent applications have contributed to premature deck cracking. Finally, the quantity for the incidental milling is in error. The correct estimate is 433 sq. yds. and there will be no Breaking of Existing Asphalt Pavement.

The opening of the bids for DN00339 has been delayed to Friday, October 17, 2014 @ 9:00 AM. All bids received between today and Friday @ 9:00 AM will be accepted. Any bids received after Friday, October 17 at 9:00 AM will be considered late. A new bid sheet is attached reflecting the change to the quantity for incidental milling and removing the pay item for breaking of existing asphalt pavement. In lieu of submitting an entire proposal package twice, a sealed bid sheet and electronic media will be accepted. Please mark the outside of the envelope containing the new bid sheets with the following information:

NEW BID SHEET QUOTATION FOR WBS ELEMENT 50070.3.FS28 DESCRIPTION I-26 IN Henderson County TO BE OPENED AT 9:00 AM ON Friday, October 17, 2014.

Any new bid sheets submitted shall replace any previously submitted bid sheets.

Please insert this letter into the addendum section of the proposal and sign the verification. Thank you for your attention to this matter.
