Federal Permit(s):	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Permit Type(s):	
<u>Project Description:</u>			
Remove the Morris St crossing of the rail road in Teachey.			

SUMMARY OF HISTORIC ARCHITECTURE AND LANDSCAPES REVIEW

Description of review activities, results, and conclusions:

On October 30, 2014 a search of NC HPOWEB GIS Service map and Google StreetView reveals the project is situated within the boundaries of the Study-Listed Teachey Historic District. An NCDOT architectural historian will need to conduct a site visit to determine if there may be an effect to the district by the proposed project.
