A couple of issues were found within the contract that was posted on the Division 3 Bid Letting Page. Therefore, the contractor is required to download the revised Proposal and use it when you submit your bid. The bid form has also been revised to match the EBS File for the electronic bidding that will be submitted on a CD.

The newly revised Proposal has an 10/30/15 date in the right hand corner of the proposal. This is the only Proposal that will be accepted.

Addendum must be signed and dated.

**You MUST sign as your acknowledgement that you did in fact receive this addendum. Failure to do so shall cause the bid to be considered irregular and shall be grounds for rejection of the bid.**
