**PROPOSAL FOR THE CONSTRUCTION OF  
CONTRACT No. D7POC240 IN ORANGE COUNTY, NORTH CAROLINA**

Date \_\_\_\_\_ 20 \_\_\_\_\_

**DEPARTMENT OF TRANSPORTATION,  
RALEIGH, NORTH CAROLINA**

The Bidder has carefully examined the location of the proposed work to be known as Contract No. **D7POC240**; has carefully examined the plans and specifications, which are acknowledged to be part of the proposal, the special provisions, the proposal, the form of contract; and thoroughly understands the stipulations, requirements and provisions. The undersigned Bidder further agrees to provide all necessary machinery, tools, labor, and other means of construction; and to do all the work and to furnish all materials, except as otherwise noted, necessary to perform and complete the said contract in accordance with *the 2018 Standard Specifications for Roads and Structures* by the dates(s) specified in the Project Special Provisions and in accordance with the requirements of the Engineer, and at the unit or lump sum prices, as the case may be, for the various items given on the sheets contained herein.

The Bidder shall provide and furnish all the materials, machinery, implements, appliances and tools, and perform the work and required labor to construct and complete State Highway Contract No. **D7POC240** in **Orange County**, for the unit or lump sum prices, as the case may be, bid by the Bidder in his bid and according to the proposal, plans, and specifications prepared by said Department, which proposal, plans, and specifications show the details covering this project, and hereby become a part of this contract.

The published volume entitled *North Carolina Department of Transportation, Raleigh, Standard Specifications for Roads and Structures, January 2018* with all amendments and supplements thereto, is by reference incorporated into and made a part of this contract; that, except as herein modified, all the construction and work included in this contract is to be done in accordance with the specifications contained in said volume, and amendments and supplements thereto, under the direction of the Engineer.

If the proposal is accepted and the award is made, the contract is valid only when signed either by the Contract Officer or such other person as may be designated by the Secretary to sign for the Department of Transportation. The conditions and provisions herein cannot be changed except over the signature of the said Contract Officer or Division Engineer.

The quantities shown in the itemized proposal for the project are considered to be approximate only and are given as the basis for comparison of bids. The Department of Transportation may increase or decrease the quantity of any item or portion of the work as may be deemed necessary or expedient.

An increase or decrease in the quantity of an item will not be regarded as sufficient ground for an increase or decrease in the unit prices, nor in the time allowed for the completion of the work, except as provided for the contract.

**INSTRUCTIONS TO BIDDERS****PLEASE READ ALL INSTRUCTIONS CAREFULLY  
BEFORE PREPARING AND SUBMITTING YOUR BID.**

All bids shall be prepared and submitted in accordance with the following requirements. Failure to comply with any requirement may cause the bid to be considered irregular and may be grounds for rejection of the bid.

**TRADITIONAL PAPER BIDS:**

1. Download the entire proposal from the Connect NCDOT website and return the entire proposal with your bid.
2. All entries on the itemized proposal sheet (bid form) shall be written in ink or typed.
3. The Bidder shall submit a unit price for every item on the itemized proposal sheet. The unit prices for the various contract items shall be written in figures. Unit prices shall be rounded off by the Bidder to contain no more than TWO decimal places.
4. An amount bid shall be entered on the itemized proposal sheet for every item. The amount bid for each item shall be determined by multiplying each unit bid by the quantity for that item, and shall be written in figures in the "Amount" column of the form.
5. The total amount bid shall be written in figures in the proper place on the bid form. The total amount bid shall be determined by adding the amounts bid for each item.
6. Changes to any entry shall be made by marking through the entry in ink and making the correct entry adjacent thereto in ink. A representative of the Bidder shall initial the change in ink. Do not use correction fluid, correction tape or similar product to make corrections.
7. The bid shall be properly executed on the included **Execution of Bid – Non-collusion, Debarment and Gift Ban Certification** form. All bids shall show the following information:
  - a. Name of corporation, partnership, Limited Liability Company, joint venture, individual or firm, submitting bid.  
Corporations that have a corporate seal should include it on the bid.
  - b. Name of individual or representative submitting bid and position or title held on behalf of the bidder.
  - c. Name, signature, and position or title of witness.
8. The bid shall not contain any unauthorized additions, deletions, or conditional bids.
9. The Bidder shall not add any provision reserving the right to accept or reject an award, or to enter into a contract pursuant to an award.
10. **THE PROPOSAL WITH THE ITEMIZED PROPOSAL SHEET ATTACHED SHALL BE PLACED IN A SEALED ENVELOPE AND SHALL BE DELIVERED TO AND RECEIVED IN THE NCDOT DIVISION OFFICE, LOCATED AT 1584 YANCEYVILLE STREET BY 2:00 P.M. ON, May 3, 2018.**
11. The sealed bid must display the following statement on the front of the sealed envelope:

**QUOTATION FOR D7POC240  
TO BE OPENED AT 2:00 P.M. ON, May 3, 2018.**

12. If delivered by mail, the sealed envelope shall be placed in another sealed envelope and the outer envelope shall be addressed as follows:

**N. C. DEPARTMENT OF TRANSPORTATION  
ATTN: Carolyn T. Huskins  
1584 Yanceyville Street  
Greensboro, NC 27405**

## PROJECT SPECIAL PROVISIONS - GENERAL

### GENERAL

This contract is for asphalt pavement repair and short overlays at various locations in Orange County, as needed. The contractor shall provide all equipment, labor and material with the exception of Asphalt plant mixes. The N. C. Department of Transportation will purchase and provide asphalt plant mixes for pick up by the contractor at the supplier's plant location. All work and materials shall be in accordance with the provisions of the General Guidelines of this contract, the Project Special Provisions, the *North Carolina Department of Transportation 2018 Standard Specifications for Roads and Structures*, the *North Carolina Department of Transportation Roadway Standards Drawings*, and the current edition of the *Manual of Uniform Traffic Control Devices (MUTCD)*.

The Contractor shall keep himself fully informed of all Federal, State and local laws, ordinances, and regulations, and shall comply with the provisions of Section 107 of the *Standard Specifications*.

### DIVISION LET CONTRACT PREQUALIFICATION - SBE:

(07-01-14)(6-1-15)

SPD 01-410

The contractor and/or subcontractor(s) shall be prequalified in the work code(s) for they will complete. Any contractor identified as working outside their expertise will be considered in default of contract.

### BOND REQUIREMENTS – No Bonds Required

(06-01-16)

SPD 01-420B

The provisions of Articles 102-10 and 103-7 of the *2018 Standard Specifications for Roads and Structures* are waived for this project. No bonds required.

### CONTRACT TIME AND LIQUIDATED DAMAGES:

(7-1-95) (Rev. 12-18-07)

108

SP1 G10 A

The date of availability for this contract is **June 1, 2018**.

The completion date for this contract is **May 31, 2019**.

### INTERMEDIATE CONTRACT TIME NUMBER 1 AND LIQUIDATED DAMAGES:

(2-20-07)

108

SP1 G14 A

The Contractor shall complete the required work of installing, maintaining, and removing the traffic control devices for lane closures and restoring traffic to the existing traffic pattern. The Contractor shall not close or narrow a lane of traffic on any two-lane, two-way road during the following time restrictions:

DAY AND TIME RESTRICTIONS

**Monday thru Friday Sunset to Sunrise  
or  
Monday thru Friday from 9:00 a.m. to 4:00 p.m.  
and  
Friday Sunset until Monday Sunrise**

**When the Engineer determines that the Contractor's operations may cause significant traffic delays, he may restrict working hours to 9:00 a.m. to 4:00 p.m.**

In addition, the Contractor shall not close or narrow a lane of traffic on **any road**, detain and/or alter the traffic flow on or during holidays, holiday weekends, special events, or any other time when traffic is unusually heavy.

Holidays and holiday weekends shall include New Year's, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. The Contractor shall schedule his work so that lane closures will not be required during these periods, unless otherwise directed by the Engineer.

The time of availability for this intermediate contract work shall be the time the Contractor begins to install all traffic control devices for lane closures according to the time restrictions listed herein.

The completion time for this intermediate contract work shall be the time the Contractor is required to complete the removal of all traffic control devices for lane closures according to the time restrictions stated above and place traffic in the existing traffic pattern.

The liquidated damages are **Two Hundred Fifty Dollars (\$250.00)** per hour.

**INTERMEDIATE CONTRACT TIME NUMBER 2 AND LIQUIDATED DAMAGES:**

(2-20-07)

108

SP1 G14 A

The Contractor shall complete the required work of installing, maintaining, and removing the traffic control devices for lane closures and restoring traffic to the existing traffic pattern. The Contractor shall not close or narrow a lane of traffic on **any multi-lane road** during the following time restrictions:

DAY AND TIME RESTRICTIONS

**Monday thru Thursday 4:00 p.m. to 9:00 a.m.  
and  
Thursday 4:00 p.m. until Monday 9:00 a.m.**

In addition, the Contractor shall not close or narrow a lane of traffic on any multi-lane road, detain and/or alter the traffic flow on or during holidays, holiday weekends, special events, or any other time when traffic is unusually heavy, including the following schedules:

HOLIDAY AND HOLIDAY WEEKEND LANE CLOSURE RESTRICTIONS

1. For **unexpected occurrence** that creates unusually high traffic volumes, as directed by the Engineer.
2. For **New Year's Day**, between the hours of **4:00 p.m.** December 31st and **9:00 a.m.** January 2nd. If New Year's Day is on a Friday, Saturday, Sunday or Monday, then until **9:00 a.m.** the following Tuesday.
3. For **Easter**, between the hours of **4:00 p.m.** Thursday and **9:00 a.m.** Monday.
4. For **Memorial Day**, between the hours of **4:00 p.m.** Friday and **9:00 a.m.** Tuesday.
5. For **Independence Day**, between the hours of **4:00 p.m.** the day before Independence Day and **9:00 a.m.** the day after Independence Day.

If **Independence Day** is on a Friday, Saturday, Sunday or Monday, then between the hours of **4:00 p.m.** the Thursday before Independence Day and **9:00 a.m.** the Tuesday after Independence Day.

6. For **Labor Day**, between the hours of **4:00 p.m.** Friday and **9:00 a.m.** Tuesday.
7. For **Thanksgiving Day**, between the hours of **4:00 p.m.** Tuesday and **9:00 a.m.** Monday.
8. For **Christmas**, between the hours of **4:00 p.m.** the Friday before the week of Christmas Day and **9:00 a.m.** the following Tuesday after the week of Christmas Day.

Holidays and holiday weekends shall include New Year's, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. The Contractor shall schedule his work so that lane closures will not be required during these periods, unless otherwise directed by the Engineer.

The time of availability for this intermediate contract work shall be the time the Contractor begins to install all traffic control devices for lane closures according to the time restrictions listed herein.

The completion time for this intermediate contract work shall be the time the Contractor is required to complete the removal of all traffic control devices for lane closures according to the time restrictions stated above and place traffic in the existing traffic pattern.

The liquidated damages are **Two Hundred Fifty Dollars (\$ 250.00)** per hour.

**BASIS OF AWARD**

(6-10-2012)

Div. 7

Quantities for this work are unknown but will be determined on an as needed basis. Determination of the apparent low bidder will be made by extending the unit prices quoted on the Bid Proposal Form.

The quantities shown on the Bid Proposal Form are for determination of low bid only and do not reflect total quantities for the contract.

**Unit prices should reflect actual costs; unbalanced bids may be rejected per the *Standard Specifications for Roads and Structures* Article 102-14.**

### **TERM OF CONTRACT**

Div. 7

**This contract shall be effective for one (1) contract period. The contract period will last from the availability date to the completion date, as noted above. At the option of the NC Department of Transportation, and upon agreement by the contractor, this contract may be extended up to four (4) additional contract periods. The unit bid prices will increase by three (3) percent each contract period. All other terms and conditions as stated herein shall remain the same.**

The Engineer will notify the Contractor in writing 60 days before the end of the contract period if the contract may be extended for the following year. The Contractor must notify the Engineer in writing within 30 calendar days of his/her acceptance or rejection of this offer. Failure on the part of the Contractor to reply will be considered a rejection of the contract extension.

### **PROSECUTION OF WORK:**

The Contractor will be required to prosecute the work in a continuous and uninterrupted manner from the time he begins the work included in each notification until completion and final acceptance of the work of each notification. The Contractor will not be permitted to suspend his operations except for reasons beyond his control or except where the Engineer has authorized a suspension of the Contractor's operations in writing.

The Contractor shall pursue the work diligently with workmen in sufficient numbers, abilities, and supervision, and with equipment, materials, and methods of construction as may be required to complete the work described in the contract in accordance with Section 108 of the *2018 Standard Specifications*.

### **NOTIFICATION OF OPERATIONS**

The Engineer will notify the Contractor when repair locations for a minimum of 100 tons of "Pavement Repair" or Short Overlay" are available. Use of 100 tons may require changing locations. Multiple locations will be within a 2 mile radius. Notification by telephone shall be considered adequate and the Contractor shall commence operations within ten (10) calendar days. The Contractor shall, in turn, notify the Engineer 24 hours in advance of commencing operations.

### **NO MAJOR CONTRACT ITEMS:**

(2-19-02) (Rev. 8-21-07)

104

SP1 G31

None of the items included in this contract will be major items.

**NO SPECIALTY ITEMS:**

(7-1-95)

108-6

SP1 G34

None of the items included in this contract will be specialty items (see Article 108-6 of the *2018 Standard Specifications*).

**FUEL PRICE ADJUSTMENT:**

(11-15-05) (Rev. 2-18-14)

109-8

SP1 G43

Revise the *2018 Standard Specifications* as follows:

**Page 1-83, Article 109-8, Fuel Price Adjustments**, add the following:

The base index price for DIESEL #2 FUEL is \$ **2.0070** per gallon. Where any of the following are included as pay items in the contract, they will be eligible for fuel price adjustment.

The pay items and the fuel factor used in calculating adjustments to be made will be as follows:

Description	Units	Fuel Usage Factor Diesel
Asphalt Concrete Base Course, Type _____	Gal/Ton	2.90
Asphalt Concrete Intermediate Course, Type _____	Gal/Ton	2.90
Asphalt Concrete Surface Course, Type _____	Gal/Ton	2.90

**SUBSURFACE INFORMATION:**

(7-1-95)

450

SP1 G112 A

There is **no** subsurface information available on this project. The Contractor shall make his own investigation of subsurface conditions.

**OUTSOURCING OUTSIDE THE USA:**

(9-21-04) (Rev. 5-16-06)

SP1 G150

All work on consultant contracts, services contracts, and construction contracts shall be performed in the United States of America. No work shall be outsourced outside of the United States of America.

*Outsourcing* for the purpose of this provision is defined as the practice of subcontracting labor, work, services, staffing, or personnel to entities located outside of the United States.

The North Carolina Secretary of Transportation shall approve exceptions to this provision in writing.

**PROJECT SPECIAL PROVISIONS - ROADWAY****SUPERVISION BY CONTRACTOR**

The Contractor shall have a competent individual present on the project while work is underway, authorized to act in a supervisory capacity over all work on the project, including subcontractors.

This individual shall be experienced in the type of work being performed and shall be fully capable of managing, directing, and coordinating the work of reading and thoroughly understanding the contract, and receiving and carrying out directions from the Engineer or his authorized representatives. He shall be an employee of the Contractor unless otherwise approved by the Engineer. This individual shall be able to communicate in English.

### **ASPHALT PLANT MIX**

The N. C. Department of Transportation will provide all asphalt plant mix for this contract. The contractor shall pick-up asphalt material at the supplier's plant and transport it to the job site. The various asphalt suppliers are privately owned businesses so the Department cannot guarantee hours of operation or material availability. Below is a listing of current asphalt suppliers:

<b>NAME</b>	<b>LOCATION</b>	<b>MATERIAL</b>
Riley Paving	2366 Sandy Cross Road Burlington, NC 27217	ACSC, ACIC, and ACBC
S. T. Wooten	240 Sugar Lake Road Pittsboro, NC 27312	ACSC, ACIC, and ACBC
Carolina Sunrock	1503 Camden Ave. Durham, NC 27704	ACSC, ACIC, and ACBC

The contractor shall notify the Engineer 24 hours in advance of beginning work. The Engineer will determine the most cost effective supplier(s) and will order the necessary materials. The contractor shall pick-up the material from the supplier designated by the Engineer. The Contractor shall not utilize an alternate supplier without the permission of the Engineer.

No direct payment will be made for transporting asphalt materials.

All of the NCDOT certified suppliers comply with the NCDOT Quality Management system. No additional plant mix testing will be required under the terms of this contract.

The Engineer reserves the right to conduct additional tests through the use of a nuclear density gauge or core samples to assure satisfactory mix placement and compaction.

### **EQUIPMENT**

All equipment shall comply with applicable portions of Section 6 of the Standard Specifications. All equipment shall be in good condition and shall have all safety devices installed by the manufacturer in place. All equipment shall be of sufficient capacity and rating to efficiently perform the required work. All necessary licenses and registrations shall be current.

#### **Roller**

The contractor shall utilize a steel-wheeled tandem roller with sufficient capacity to adequately compact the asphalt. The roller shall be equipped with a wetting device to prevent mixture sticking to the wheel.

**Distributor/Asphalt Kettle**

The contractor shall utilize a distributor or asphalt kettle of sufficient capacity designed to maintain the asphalt material at a uniform temperature and equipped to uniformly apply the material across variable widths at controlled rates. The equipment shall be free of excessive leaks and shall not present a fire risk.

**Paver**

The paver shall be self-contained and self-propelled capable of spreading and finishing the asphalt to the prescribed grades, thicknesses, cross sections and widths as directed by the Engineer. The paver shall be equipped with a fully activated screed designed to be pre-heated for the entire length and shall be of adequate length to accommodate the full travel lane width. Electronic screed control and slope control features will not be required for this project.

The Engineer reserves the right to inspect and remove any equipment deemed unsafe or incapable of performing the required work in an acceptable manner.

**PAVEMENT REPAIR**

The contractor shall repair the existing pavement in accordance with applicable portions of Section 654 of the *Standard Specifications* and as shown in the attached (Appendix A) NCDOT Standard Drawing 654.01 (REVISED) at locations designated by the Engineer. This work shall consist of cutting existing pavement and removing existing material to depth below the finish grade, as directed by the Engineer, compacting the excavated area, cleaning and preparing surfaces, furnishing and applying tack coat, transporting, placing and compacting asphalt material in the excavated area. Work shall be performed in accordance with the applicable sections of Division 6 of the *Standard Specifications*.

The contractor shall perform patching only in areas and at depths designated by the Engineer.

The contractor shall cut the existing pavement with a milling machine, abrasive saw, or other method approved by the Engineer. Breaking or scoring of the pavement with an excavator bucket or hydraulic ram is not acceptable. The excavation shall be neatly squared with clean vertical sides. The bottom of the excavation shall be tamped and all loose material shall be removed from the excavated areas.

The Contractor shall properly dispose of all excavated materials in approved waste sites. No excavated material or unused asphalt shall be disposed of within the right of way unless otherwise approved by the Engineer. Asphalt plant mix shall be placed using a self-propelled paver and finished to the required depth and surface grade and compacted using a steel-wheeled roller to meet the minimum density requirements in accordance with Article 610-9 of the *Standard Specifications*. The final surface of the material shall be flush with the existing pavement elevation prior to reopening the area to traffic.

**SHORT OVERLAYS**

The contractor shall construct one or more courses of asphalt plant mix for the purposes of pavement repair and leveling and paving of small construction projects at locations designated by

the Engineer. Work shall be conducted in accordance with applicable portions of Section 610 of the *Standard Specifications*.

This work shall consist of cleaning and preparing the surface, furnishing and applying tack coat, transporting, placing and compacting asphalt materials. Asphalt plant mix shall be placed using a self-propelled paver and finished to the required depth and surface grade and compacted using a steel-wheeled roller to meet the minimum density requirements in accordance with Article 610-9 of the *Standard Specifications*.

**Short overlays are defined as overlays of a length of 1000 feet or less.**

### **ASPHALT TACK COAT**

Prior to placing asphalt surface course, the Contractor shall furnish and apply asphalt tack coat in accordance with Section 605 of the *Standard Specifications*. The contractor may use the following material:

MATERIAL	APPLICATION TEMPERATURE
Asphalt binder, Grade PG 64-22	375-425 DEGREES F.
Emulsified asphalt, Grade CRS-2	90-150 DEGREES F.

Asphalt material shall meet the requirements of Article 1020-1 of the *Standard Specifications*. Tack coat shall not be applied on damp pavement or during foggy or rainy weather. No asphalt plant mix shall be placed on the tack coat until it has cured. The Contractor shall take precautions to protect traffic and pedestrians from contact with the tack material.

No direct payment shall be made for furnishing and placing tack coat.

### **SURFACE REQUIREMENTS**

The contractor shall construct the finished surface of the plant mix pavement to provide a satisfactory ride quality in accordance with applicable portions of Article 610-12 of the *Standard Specifications*. The final grade of the pavement shall be smooth and true to the required grade and typical section and conform to the surrounding area.

The contractor shall utilize a string line or straight edge to check for smoothness before and after mix compaction. Discrepancies in grade greater than 1/4 inch shall be corrected. The contractor shall take care to prevent mix segregation during placement and finishing.

### **METHOD OF MEASUREMENT AND PAYMENT**

The quantity of Pavement Repair and Short Overlay measured shall be the actual number of tons of asphalt material which has been satisfactorily placed and compacted as verified by delivery tickets in accordance with Article 106-7 of the *Standard Specifications*.

Payment shall be made under:

<b>ITEM</b>	<b>UNIT</b>
Pavement Repair with Asphalt Intermediate/Base Course	TON
Pavement Repair with Asphalt Surface Course.	TON
Short Overlay with Asphalt Surface Course	TON
Short Overlay with Asphalt Intermediate/Base Course	TON

Payment for the various pay items shall be full compensation for mobilization, traffic control, cutting of pavement, excavation and disposal of existing material, furnishing and applying tack coat, transporting, placement, finishing and compaction of asphalt materials. All other items necessary to satisfactorily complete the work shall be considered incidental and no additional compensation shall be made.

### **CONTRACT QUANTITIES**

The contract quantities are estimated quantities established for bid purposes only.

### **FINAL SURFACE TESTING NOT REQUIRED:**

(5-18-04) (Rev. 2-16-16)

610

SP6 R45

Final surface testing is not required on this project in accordance with Section 610-13, *Final Surface Testing and Acceptance*.

### **EROSION CONTROL**

The Contractor shall exercise every reasonable precaution throughout the life of the project to prevent erosion and siltation.

### **COOPERATION WITH STATE FORCES**

1-22-2009

DDC-7.

The Department reserves the right at any time for State Forces to perform other or additional work on or near the work covered by this contract. When State Forces perform work within the limits of the project, the Contractor shall conduct his work so as not to interfere with or hinder the progress or completion of the work being performed by State Forces. The Contractor shall conduct his operation in such a manner as to avoid damaging any work being performed by State Forces, or any work that has been completed by State Forces.

### **LITTERING AND SITE CLEANUP**

(Div.)

Littering will not be tolerated in any form or fashion. The contractor shall clean the site of all debris, including cigarette butts, at the end of each workday. The Contractor shall be responsible for disposing of all waste materials in accordance with the 2006 *Standard Specifications*.

## PROJECT SPECIAL PROVISIONS – TRAFFIC CONTROL

### TRAFFIC CONTROL

(10-21-08)

RWZ-1Revised

The Contractor shall install and maintain the traffic during construction on two lane\two way routes and shall provide qualified flaggers that have been trained by an NCDOT approved training agency, install and maintain all traffic control devices in accordance with Divisions 10, 11 and 12 of the *Standard Specifications* and as shown in the *2018 Roadway Standard Drawings* and the following provisions:

No direct payment will be made for providing traffic control as it is considered incidental to the various contract items.

### TRAFFIC CONTROL – MULTI-LANE ROADS

NCDOT personnel or NCDOT's Traffic Control Contractor will provide traffic control on multi-lane facilities.

The Contractor shall not place people or equipment in the road or begin work until all traffic control in in place.

### WORK ZONE SIGNING

(10-21-08)

RWZ-3 Revised

#### **Description**

Install and maintain signing in accordance with Divisions 11 and 12 of the *Standard Specifications*, the *Roadway Standard Drawings* and the following provisions:

The Contractor shall be responsible for portable signing; any required stationary signing will be furnished and installed by NCDOT.

#### **Two lane\Two way Routes**

The Contractor will be responsible for installation and maintenance of all traffic control for Two lane\two way routes including but limited to providing and installing correct signs, ensuring signs remain in place, resetting signs as needed.

## STANDARD SPECIAL PROVISIONS

### AVAILABILITY OF FUNDS – TERMINATION OF CONTRACTS

(5-20-08)

Z-2

*General Statute 143C-6-11. (h) Highway Appropriation* is hereby incorporated verbatim in this contract as follows:

(h) Amounts Encumbered. – Transportation project appropriations may be encumbered in the amount of allotments made to the Department of Transportation by the Director for the estimated

payments for transportation project contract work to be performed in the appropriation fiscal year. The allotments shall be multiyear allotments and shall be based on estimated revenues and shall be subject to the maximum contract authority contained in *General Statute 143C-6-11(c)*. Payment for transportation project work performed pursuant to contract in any fiscal year other than the current fiscal year is subject to appropriations by the General Assembly. Transportation project contracts shall contain a schedule of estimated completion progress, and any acceleration of this progress shall be subject to the approval of the Department of Transportation provided funds are available. The State reserves the right to terminate or suspend any transportation project contract, and any transportation project contract shall be so terminated or suspended if funds will not be available for payment of the work to be performed during that fiscal year pursuant to the contract. In the event of termination of any contract, the contractor shall be given a written notice of termination at least 60 days before completion of scheduled work for which funds are available. In the event of termination, the contractor shall be paid for the work already performed in accordance with the contract specifications.

Payment will be made on any contract terminated pursuant to the special provision in accordance with Subarticle 108-13(D) of the *2018 Standard Specifications*.

### **ERRATA**

(2-12-18)

Z-4

Revise the *2018 Standard Specifications* as follows:

#### **Division 7**

**Page 7-27, line 4, Article 725-1 MEASUREMENT AND PAYMENT**, replace article number “725-1” with “724-4”.

**Page 7-28, line 10, Article 725-1 MEASUREMENT AND PAYMENT**, replace article number “725-1” with “725-3”.

#### **Division 10**

**Page 10-162, line 1, Article 1080-50 PAINT FOR VERTICAL MARKERS**, replace article number “1080-50” with “1080-10”.

**Page 10-162, line 5, Article 1080-61 EPOXY RESIN FOR REINFORCING STEEL**, replace article number “1080-61” with “1080-11”.

**Page 10-162, line 22, Article 1080-72 ABRASIVE MATERIALS FOR BLAST CLEANING STEEL**, replace article number “1080-72” with “1080-12”.

**Page 10-163, line 25, Article 1080-83 FIELD PERFORMANCE AND SERVICES**, replace article number “1080-83” with “1080-13”.

### **PLANT AND PEST QUARANTINES**

**(Imported Fire Ant, Gypsy Moth, Witchweed, Emerald Ash Borer, And Other Noxious Weeds)**

(3-18-03) (Rev. 12-20-16)

Z-04a

**Within Quarantined Area**

This project may be within a county regulated for plant and/or pests. If the project or any part of the Contractor's operations is located within a quarantined area, thoroughly clean all equipment prior to moving out of the quarantined area. Comply with federal/state regulations by obtaining a certificate or limited permit for any regulated article moving from the quarantined area.

### **Originating in a Quarantined County**

Obtain a certificate or limited permit issued by the N.C. Department of Agriculture/United States Department of Agriculture. Have the certificate or limited permit accompany the article when it arrives at the project site.

### **Contact**

Contact the N.C. Department of Agriculture/United States Department of Agriculture at 1-800-206-9333, 919-707-3730, or <http://www.ncagr.gov/plantindustry/> to determine those specific project sites located in the quarantined area or for any regulated article used on this project originating in a quarantined county.

### **Regulated Articles Include**

1. Soil, sand, gravel, compost, peat, humus, muck, and decomposed manure, separately or with other articles. This includes movement of articles listed above that may be associated with cut/waste, ditch pulling, and shoulder cutting.
2. Plants with roots including grass sod.
3. Plant crowns and roots.
4. Bulbs, corms, rhizomes, and tubers of ornamental plants.
5. Hay, straw, fodder, and plant litter of any kind.
6. Clearing and grubbing debris.
7. Used agricultural cultivating and harvesting equipment.
8. Used earth-moving equipment.
9. Any other products, articles, or means of conveyance, of any character, if determined by an inspector to present a hazard of spreading imported fire ant, gypsy moth, witchweed, emerald ash borer, or other noxious weeds.

### **MINIMUM WAGES**

(7-21-09)

Z-5

**FEDERAL:** The Fair Labor Standards Act provides that with certain exceptions every employer shall pay wages at the rate of not less than SEVEN DOLLARS AND TWENTY FIVE CENTS (\$7.25) per hour.

**STATE:** The North Carolina Minimum Wage Act provides that every employer shall pay to each of his employees, wages at a rate of not less than SEVEN DOLLARS AND TWENTY FIVE CENTS (\$7.25) per hour.

The minimum wage paid to all skilled labor employed on this contract shall be SEVEN DOLLARS AND TWENTY FIVE CENTS (\$7.25) per hour.

The minimum wage paid to all intermediate labor employed on this contract shall be SEVEN DOLLARS AND TWENTY FIVE CENTS (\$7.25) per hour.

The minimum wage paid to all unskilled labor on this contract shall be SEVEN DOLLARS AND TWENTY FIVE CENTS (\$7.25) per hour.

This determination of the intent of the application of this act to the contract on this project is the responsibility of the Contractor.

The Contractor shall have no claim against the Department of Transportation for any changes in the minimum wage laws, Federal or State. It is the responsibility of the Contractor to keep fully informed of all Federal and State Laws affecting his contract.

### **COMPENSATION**

All work or items, other than those listed on the Bid Form contained in the Contract Proposal, necessary to complete this work will be considered incidental in nature and no further compensation will be made.

All invoices shall be original and submitted to Tommy Byrd, County Maintenance Engineer for approval. **Statements of all subcontractor payments shall be included with invoices. These statements are to be submitted on the Subcontractor Payment Information Form (DBE-IS), they shall be original and in ink.**

Invoices should bear the words "Due Upon Receipt", the company name and address, the "from" and "to" periods" and the REMIT TO address. (Note: Please place the words REMIT TO above this address.)

All invoices and DBE-IS Forms are to be mailed to the Division 7 County Maintenance Engineer's Office:

NCDOT  
Attn: Tommy Byrd, CME  
2122 Clarence Walters Road  
Hillsborough, NC 27278

The County Maintenance Engineer will approve all invoices and DBE-IS for payment. Invoices not accompanied by a completed DBE-IS form will not be processed.

**Payment will not be made until DBE-IS forms are received.**

**Faxed invoices will not be processed.**

**EXECUTION OF BID**

**NON-COLLUSION, DEBARMENT AND GIFT BAN CERTIFICATION**

**CORPORATION**

The prequalified bidder being duly sworn, solemnly swears (or affirms) that neither he, nor any official, agent or employee has entered into any agreement, participated in any collusion, or otherwise taken any action which is in restraint of free competitive bidding in connection with any bid or contract, that the prequalified bidder has not been convicted of violating N.C.G.S. §133-24 within the last three years, and that the prequalified bidder intends to do the work with his own bona fide employees or subcontractors and will not bid for the benefit of another contractor.

By submitting this non-collusion, debarment and gift ban certification, the Contractor is attesting his status under penalty of perjury under the laws of the United States in accordance with the Debarment Certification attached, provided that the Debarment Certification also includes any required statements concerning exceptions that are applicable.

N.C.G.S. §133-32 and Executive Order 24 prohibit the offer to, or acceptance by, any State Employee of any gift from anyone with a contract with the State, or from any person seeking to do business with the State. By execution of any response in this procurement, you attest, for your entire organization and its employees or agents, that you are not aware that any such gift has been offered, accepted, or promised by any employees of your organization.

**DEBARMENT CERTIFICATION OF PREQUALIFIED BIDDER**

Conditions for certification:

1. The prequalified bidder shall provide immediate written notice to the Department if at any time the bidder learns that his certification was erroneous when he submitted his debarment certification or explanation that is file with the Department, or has become erroneous because of changed circumstances.
2. The terms *covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded*, as used in this provision, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. A copy of the Federal Rules requiring this certification and detailing the definitions and coverages may be obtained from the Contract Officer of the Department.
3. The prequalified bidder agrees by submitting this form, that he will not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in NCDOT contracts, unless authorized by the Department.
4. For Federal Aid projects, the prequalified bidder further agrees that by submitting this form he will include the Federal-Aid Provision titled *Required Contract Provisions Federal-Aid Construction Contract (Form FHWA PR 1273)* provided by the Department, without subsequent modification, in all lower tier covered transactions.
5. The prequalified bidder may rely upon a certification of a participant in a lower tier covered transaction that he is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless he knows that the certification is erroneous. The bidder may decide the method and frequency by which he will determine the eligibility of his subcontractors.
6. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this provision. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
7. Except as authorized in paragraph 6 herein, the Department may terminate any contract if the bidder knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available by the Federal Government.

**DEBARMENT CERTIFICATION**

The prequalified bidder certifies to the best of his knowledge and belief, that he and his principals:

- a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
- b. Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records; making false statements; or receiving stolen property;
- c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph b. of this certification; and
- d. Have not within a three-year period preceding this proposal had one or more public transactions (Federal, State or local) terminated for cause or default.
- e. Will submit a revised Debarment Certification immediately if his status changes and will show in his bid proposal an explanation for the change in status.

If the prequalified bidder cannot certify that he is not debarred, he shall provide an explanation with this submittal. An explanation will not necessarily result in denial of participation in a contract.

Failure to submit a non-collusion affidavit and debarment certification will result in the prequalified bidder's bid being considered non-responsive.

Check here if an explanation is attached to this certification.
