

SUPPLEMENTAL INFORMATION FOR STATE PROJECTS

(A) PROGRESS SCHEDULE

The Contractor shall prepare and submit for approval, a schedule of his proposed working progress on the project in accordance with the Project Special Provision in the executed contract, entitled "Progress Schedule". Three copies of the proposed progress schedule shall be submitted to the Division Engineer responsible for the project no later than 7 days prior to the date of the project preconstruction conference. The progress schedule shall be approved before any work is begun on the project.

[Progress Schedule Narrative Example](#)

For best result, print progress schedule example and blank on at least 8 1/2" by 14", paper and on *Landscape Orientation*.
