- 00235 – Subsurface Utility Engineering
- 00247 – Traffic Control Plans
- 00270 – Utility Coordination
- 00361 – Boundary Surveying
- 00362 – Easement Surveying
- 00168 or 170 – Project Management
- 00171 – Public Involvement
- 00360 – Topo Survey
- 00269 – Urban Roadway Design
- 00434 – Tier 1 Hydrologic and Hydraulic Design

WORK CODES for each primary and/or sub-consultant firm(s) SHALL be listed on the respective RS-2 FORMS (see section 'SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS').

This RFLOI is to solicit responses (LETTERS of INTEREST, or LOIs) from qualified firms to provide professional consulting services to:

This project will provide the design for construction of approximately 2100 linear feet of sidewalk from Bunn Road to Bickett Boulevard on both sides of Bunn Road and include the design to eliminate on-street parking on Bunn Road and decrease the number of lanes of travel from four to three (Two-lane travel and center turn-lane). The project will include curb and gutter and a signalized pedestrian crossing at Bunn Road and Bickett Boulevard terminus'. The project will include right of way negotiations and acquisitions, and utility coordination and relocation design. The consultant will complete all surveying, planning and design required to submit a complete set of Plans, Specifications and Estimate (PS&E) package.

Pictures of Work Area Attached to this document (Page 11).

Electronic LOIs should be submitted in .pdf format using software such as Adobe, CutePDF PDF Writer, Docudesk deskPDF, etc.

LOIs SHALL be received in person, by mail, or electronically **no later than 5:00 PM EST, March 6, 2026.**

The address for electronic deliveries is: tsatterwhite@townoflouisburg.org

TOWN *of* LOUISBURG

The address for mailings is:

Town of Louisburg
ATTN: Mr. Terry Satterwhite
110 W. Nash St.
Louisburg, NC 27549

The address for hand-deliveries is:

110 W. Nash St.
Louisburg, NC 27549
ATTN: Mr. Terry Satterwhite

LOIs received after this deadline will not be considered.

Except as provided below any firm wishing to be considered must be properly registered with the Office of the Secretary of State and with the North Carolina Board of Examiners for Engineers and Surveyors. Any firm proposing to use corporate subsidiaries or subcontractors must include a statement that these companies are properly registered with the North Carolina Board of Examiners for Engineers and Surveyors and/or the NC Board for Licensing of Geologists. The Engineers performing the work and in responsible charge of the work must be registered Professional Engineers in the State of North Carolina and must have a good ethical and professional standing. It will be the responsibility of the selected private firm to verify the registration of any corporate subsidiary or subcontractor prior to submitting a Letter of Interest. Firms which are not providing engineering services need not be registered with the North Carolina Board of Examiners for Engineers and Surveyors. Some of the services being solicited may not require a license. It is the responsibility of each firm to adhere to all laws of the State of North Carolina.

The firm must have the financial ability to undertake the work and assume the liability. The selected firm(s) will be required to furnish proof of Professional Liability insurance coverage in the minimum amount of \$1,000,000.00. The firm(s) must have an adequate accounting system to identify costs chargeable to the project.

SCOPE OF WORK

The **Town of Louisburg** is soliciting proposals for the services of a firm/team for the following contract scope of work:

- Existing condition survey and documentation
- Utility evaluation
- Preliminary design plans

TOWN of LOUISBURG

NORTH CAROLINA

Charming Since 1779

- Submission of preliminary design plans, drainage evaluation, engineers estimate and other pertinent data as required by NCDOT for review and approval.
- Final Design – submission of final design plans, contract documentation and specifications for bidding, and engineer's estimate.
- Permitting – coordination with NCDOT, NCDEQ (if required), etc...
- Preparation of permanent and temporary construction easements, including preparation of plats/maps and legal descriptions to assist with recording documents.
- Right of Way negotiations and acquisition
- Bid document development and bid services
- Utility coordination

Technical services and engineering design for the preparation of construction plans and documents associated with the installation of pedestrian improvements that include sidewalk, curb and gutter (if necessary), crosswalk striping, and traffic lane improvements. Services will include the following project elements:

PROPOSED CONTRACT TIME: The Planning, Engineering & Design is anticipated to be complete within 12 months of award in order for the project to be let in the second quarter of 2026.

PROPOSED CONTRACT PAYMENT TYPE: Lump Sum

SUBMITTAL REQUIREMENTS

All LOIs are limited to **fifteen (15)** pages (RS-2 forms are not included in the page count) inclusive of the cover sheet, and shall be typed on 8-1/2" x 11" sheets, single-spaced, one-sided.

Fold out pages are not allowed. In order to reduce costs and to facilitate recycling; binders, dividers, tabs, etc. are prohibited. One staple in the upper left-hand corner is preferred.

LOIs containing more **fifteen (15)** pages will not be considered.

Three (3) total copies of the LOI should be submitted. One (1) electronic copy of the LOI in PDF form shall accompany all submittals.

Firms submitting LOIs are encouraged to carefully check them for conformance to the requirements stated above. If LOIs do not meet ALL of these requirements they will be disqualified. No exception will be granted.

TOWN *of* LOUISBURG

NORTH CAROLINA
Charming Since 1779

SELECTION PROCESS

Following is a general description of the selection process:

- The LGA's Selection Committee will review all qualifying LOI submittals.
- For Limited Services Contracts (On-Call type contracts), the LGA's Selection Committee MAY, at the LGA's discretion, choose any number of firms to provide the services being solicited.
- For Project-Specific Contracts (non On-Call type contracts), the LGA's Selection Committee MAY, at the LGA's discretion, shortlist a minimum of three (3) firms to be interviewed. IF APPLICABLE, dates of shortlisting and dates for interviews are shown in the section SUBMISSION SCHEDULE AND KEY DATES at the end of this RFLOI.
- In order to be considered for selection, consultants must submit a complete response to this RFLOI prior to the specified deadlines. Failure to submit all information in a timely manner will result in disqualification.

TITLE VI NONDISCRIMINATION NOTIFICATION

The LGA in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all RESPONDENTS that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit LETTERS of INTEREST (LOIs) in response to this ADVERTISEMENT and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

SMALL PROFESSIONAL SERVICE FIRM (SPSF) PARTICIPATION

The Department encourages the use of Small Professional Services Firms (SPSF). Small businesses determined to be eligible for participation in the SPSF program are those meeting size standards defined by Small Business Administration (SBA) regulations, 13 CFR Part 121 in Sector 54 under the North American Industrial Classification System (NAICS). The SPSF program is a race, ethnicity, and gender neutral program designed to increase the availability of contracting opportunities for small businesses on federal, state or locally funded contracts. SPSF participation is not contingent upon the funding source.

The Firm, at the time the Letter of Interest is submitted, shall submit a listing of all known SPSF firms that will participate in the performance of the identified work. The participation shall be submitted on the Department's Sub Consultant Form RS-2. RS-2 forms may be accessed on the Department's website at [NCDOT Connect Guidelines & Forms](#).

TOWN of LOUISBURG

NORTH CAROLINA

Charming Since 1779

The SPSF must be qualified with the Department to perform the work for which they are listed.

PREQUALIFICATION

The Department maintains on file the qualifications and key personnel for each approved discipline, as well as any required samples of work. Each year on the anniversary date of the company, the firm shall renew their prequalified disciplines. If your firm has not renewed its application as required by your anniversary date or if your firm is not currently prequalified, please submit an application to the Department **prior to submittal of your LOI**. An application may be accessed on the Department's website at [Prequalifying Private Consulting Firms](#) -- Learn how to become Prequalified as a Private Consulting Firm with NCDOT. Having this data on file with the Department eliminates the need to resubmit this data with each letter of interest.

Professional Services Contracts are race and gender neutral and do not contain goals. However, the Respondent is encouraged to give every opportunity to allow Disadvantaged, Minority-Owned and Women-Owned Business Enterprises (DBE/MBE/WBE) sub consultant utilization on all LOIs, contracts and supplemental agreements. The Firm, sub consultant and sub firm shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract.

DIRECTORY OF FIRMS AND DEPARTMENT ENDORSEMENT

Real-time information about firms doing business with the Department, and information regarding their pre-qualification's and certifications, is available in the Directory of Transportation Firms. The Directory can be accessed on the Department's website at [Directory of Firms](#) -- Complete listing of certified and prequalified firms.

The listing of an individual firm in the Department's directory shall not be construed as an endorsement of the firm.

SELECTION CRITERIA

All prequalified firms who submit responsive letters of interest will be considered.

In selecting a firm/team, the selection committee will take into consideration qualification information including such factors as:

1. **Criteria Number 1 – 25%** = Firm experience in roadway projects using federal funds.
2. **Criteria Number 2 – 25%** = Technical/Innovative approach to the project (design standards, utility coordination, traffic management, etc.)

TOWN *of* LOUISBURG

NORTH CAROLINA

Charming Since 1779

3. **Criteria Number 3 – 25%** = Project Manager and key staff experience with similar NCDOT projects. Approach to public engagement.
4. **Criteria Number 4 – 25%** = Unique qualifications and project communication style of the Project Manager.

After reviewing qualifications, if firms are equal on the evaluation review, then those qualified firms with proposed SPSF participation will be given priority consideration.

SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS

The LOI should be addressed to **Terry Satterwhite, Planning & Zoning Administrator** and must include the name, address, telephone number, and e-mail address of the prime consultant's contact person for this RFLOI.

The LOI must also include the information outlined below:

Chapter 1 - Introduction

The Introduction should demonstrate the consultant's overall qualifications to fulfill the requirements of the scope of work and should contain the following elements of information:

- Expression of firm's interest in the work;
- Statement of whether firm is on register;
- Date of most recent private engineering firm qualification;
- Statement regarding firm's possible conflict of interest for the work; and
- Summation of information contained in the letter of interest.

Chapter 2 - Team Qualifications

This chapter should elaborate on the general information presented in the introduction, to establish the credentials and experience of the consultant to undertake this type of effort. The following must be included:

1. Identify recent, similar projects the firm, acting as the prime contractor, has conducted which demonstrates its ability to conduct and manage the project. Provide a synopsis of each project and include the date completed, and contact person.
2. If sub-consultants are involved, provide corresponding information describing their qualifications as requested in bullet number 1 above.

Chapter 3 - Team Experience

This chapter must provide the names, classifications, and location of the firm's North Carolina employees and resources to be assigned to the advertised work; and the

TOWN *of* LOUISBURG

NORTH CAROLINA

Charming Since 1779

professional credentials and experience of the persons assigned to the project, along with any unique qualifications of key personnel. Although standard personnel resumes may be included, identify pertinent team experience to be applied to this project. Specifically, the Department is interested in the experience, expertise, and total quality of the consultant's proposed team. If principals of the firm will not be actively involved in the study/contract/project, do not list them. The submittal shall clearly indicate the Consultant's Project Manager, other key Team Members and his/her qualifications for the proposed work. Also, include the team's organization chart for the Project / Plan. A Capacity Chart / Graph (available work force) should also be included. Any other pertinent information should also be listed in this section.

Note: If a project team or sub-consultant encounters personnel changes, or any other changes of significance dealing with the company, NCDOT should be notified immediately.

Chapter 4 - Technical Approach

The consultant shall provide information on its understanding of, and approach to accomplish, this project, including their envisioned scope for the work and any innovative ideas/approaches, and a schedule to achieve the dates outlined in this RFLOI (if any project-specific dates are outlined below).

APPENDICES-

CONSULTANT CERTIFICATION Form RS-2

Completed Form RS-2 forms SHALL be submitted with the firm's letter of interest. This section is limited to the number of pages required to provide the requested information.

Submit Form RS-2 forms for the following:

- **Prime Consultant firm**

- Prime Consultant Form RS-2 Rev 1/14/08; and

TOWN *of* LOUISBURG

NORTH CAROLINA
Charming Since 1779

- **ANY/ALL Sub-consultant firms** to be, or anticipated to be, utilized by your firm.
 - Sub-consultant Form RS-2 Rev 1/15/08.
 - In the event the firm has no sub-consultant, it is required that this be indicated on the Sub-Consultant Form RS-2 by entering the word “None” or the number “ZERO” and signing the form.

Complete and sign each Form RS-2 (instructions are listed on the form).

The required forms are available on the Department’s website at:

<https://connect.ncdot.gov/business/consultants/Pages/Guidelines-Forms.aspx>
