**WORK CODES for each primary and/or subconsultant firm(s) (*if Subconsultants are allowed under this RFLOI*) SHALL be listed on the respective RS-2 FORMS (see section 'SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS').**

This RFLOI is to solicit responses (LETTERS of INTEREST, or LOIs) from qualified firms to provide professional consulting services to:

## Synopsis

**The North Carolina Department of Transportation desires to engage a qualified private consulting firm or a team of consulting firms to conduct a comprehensive update of the Statewide Multi-Modal Transportation Plan (STP) for North Carolina for the years 2018 to 2050.**

**The purpose of this effort is to develop a statewide multi-modal transportation plan for North Carolina which will identify existing and future multi-modal transportation needs and deficiencies for the specified planning period. The last update of the STP was adopted in 2012. NCDOT has determined that the plan and the process for its development need to be updated and revised to meet the changing transportation needs of the state of North Carolina. The new plan and process will incorporate the many changes that have occurred in the operation of NCDOT and in the services it will need to provide in the future. The updated plan will be required to comply with 23 CFR Section 450.214, Statewide Transportation Planning. This is a major effort by NCDOT to incorporate the most up to date methodologies and planning practices in the development of an updated STP. The advent of new technologies has changed the overall manner in which NCDOT manages the components of the multi-modal transportation system for which it is responsible, and the way it interacts with those components that are a part of the system, but of which NCDOT has no control..**

Except as provided below any firm wishing to be considered must be properly registered with the Office of the Secretary of State and with the North Carolina Board of Examiners for Engineers and Surveyors. Any firm proposing to use corporate subsidiaries or subcontractors must include a statement that these companies are properly registered with the North Carolina Board of Examiners for Engineers and Surveyors and/or the NC Board for Licensing of Geologists. The Engineers performing the work and in responsible charge of the work must be registered Professional Engineers in the State of North Carolina and must have a good ethical and professional standing. It will be the responsibility of the selected private firm to verify the registration of any corporate subsidiary or subcontractor prior to submitting a Letter of Interest. Firms which are not providing engineering services need not be registered with the North Carolina Board of Examiners for Engineers and Surveyors. Some of the services being solicited may not require a license. It is the responsibility of each firm to adhere to all laws of the State of North Carolina.

The firm must have the financial ability to undertake the work and assume the liability. The selected firm(s) will be required to furnish proof of Professional Liability insurance coverage in the minimum amount of \$1,000,000.00. The firm(s) must have an adequate accounting system to identify costs chargeable to the project.

## **SCOPE OF WORK**

The North Carolina Department of Transportation (NCDOT) is soliciting proposals for the services of a firm/team for the following contract scope of work:

## Scope of Work

The STP will serve as NCDOT's blueprint for infrastructure spending to guide future transportation investments. The plan should meet the following objectives:

- Meet all federal statewide long-rang planning requirements
- Encompass a 30-year planning period
- Develop a vision for the 2050 statewide multi-modal transportation system while examining intermediate measures along the way
- Be a policy-based plan, not project specific
- Include a performance-based approach
- Integrate statewide modal planning considerations, including consideration of planning efforts developed since the adoption of the 2040 Plan (such as the NC State Freight Plan (in development), 2015 Comprehensive State Rail Plan, 2015 NC Airports System Plan, and Public Transportation Division Statewide Reorganization Study)
- Focus on enhancing intermodal connectivity
- Set priorities for NCDOT to guide decision-making including transportation investment decisions
- Identify strategic investments that will positively impact NC economically

The STP should contain the following outcomes/products:

- Current system status by mode
  - o Highways/bridges
  - o ITS
  - o Transit
  - o Passenger Rail
  - o Freight Rail
  - o Ferry
  - o Bike/Ped
  - o Aviation
- Un-prioritized future needs by mode
- Financial plan, based on systems analysis of the delta between future needs verses projected revenues to include various funding scenarios
- Implementation plan
- Discussion of modernizing and preserving the existing system in relation to system expansion and interstate completion, as well as preservation and enhancement of intercity bus systems
- Description of the performance measures and targets used in assessing the performance of the transportation system, and system performance report (including subsequent updates) evaluating the condition and performance of the transportation system with respect to these performance targets
- Discussion of changes due to technological innovations (autonomous vehicles, connected trucks and vehicles, etc.)
- Available tools to be considered: NC Statewide Transportation Model, scenario planning

**PROPOSED CONTRACT TIME: TWO (2) YEARS.****PROPOSED CONTRACT PAYMENT TYPE: A combination of negotiated LUMP SUM and approved reimbursable direct costs for each assignment within the contract.****SUBMITTAL REQUIREMENTS**

All LOIs are limited to **FIFTEEN (15)** pages (RS-2 forms are not included in the page count) inclusive of the cover sheet, and shall be typed on 8-1/2" x 11" sheets, single-spaced, one-sided.

LOIs containing more than **FIFTEEN (15)** pages will not be considered.

**WORK CODES for each primary and/or subconsultant firm(s) (if Subconsultants are allowed under this RFLO) SHALL be listed on the respective RS-2 FORMS (see section 'SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS').**

**ONLY ELECTRONIC LOIs WILL BE ACCEPTED.**

**LOIs should be submitted in .pdf format using software such as Adobe, CutePDF PDF Writer, DocuDesk deskPDF, etc.**

One copy of the LOI should be sent as a .pdf file, **through NCDOT's FTS System**, to: [psmu-411@ncdot.gov](mailto:psmu-411@ncdot.gov) . **The FTS system will send you an electronic receipt when your LOI is uploaded to NCDOT's FTS system.** Paper copies are not required. The subject line should contain the Firm's Name, and "**LOI for North Carolina Statewide Multi-modal Transportation Plan (STP)**".

**The Department reserves the right to reject all LOIs and not proceed with procurement.**

**The Department reserves the right to waive any technicality in LOIs, or notify the Firm(s) of such technicality and allow the Firm(s) up to two (2) business days to rectify the technicality.**

## **SELECTION PROCESS**

Following is a general description of the selection process:

- The NCDOT Selection Committee will review all qualifying LOI submittals.
- For Limited Services Contracts (On-Call type contracts), the NCDOT Selection Committee MAY, at the Department's discretion, choose any number of firms to provide the services being solicited.
- For Project-Specific Contracts (non On-Call type contracts), the Selection Committee MAY, at the Department's discretion, shortlist a minimum of three (3) firms to be interviewed. IF APPLICABLE, dates of shortlisting and dates for interviews are shown in the section SUBMISSION SCHEDULE AND KEY DATES at the end of this RFLOI.
- In order to be considered for selection, consultants must submit a complete response to this RFLOI prior to the specified deadlines. Failure to submit all information in a timely manner will result in disqualification.

## **SMALL PROFESSIONAL SERVICE FIRM (SPSF) PARTICIPATION**

The Department encourages the use of Small Professional Services Firms (SPSF). Small businesses determined to be eligible for participation in the SPSF program are those meeting size standards defined by Small Business Administration (SBA) regulations, 13 CFR Part 121 in Sector 54 under the North American Industrial Classification System (NAICS). The SPSF program is a race, ethnicity, and gender neutral program designed to increase the availability of contracting opportunities for small businesses on federal, state or locally funded contracts. SPSF participation is not contingent upon the funding source.

The Firm, at the time the Letter of Interest is submitted, shall submit a listing of all known SPSF firms that will participate in the performance of the identified work. The participation shall be submitted on the Department's Subconsultant Form RS-2. RS-2 forms may be accessed on the Department's website at [NCDOT Electronic Forms](#).

The SPSF must be qualified with the Department to perform the work for which they are listed.

Real-time information about firms doing business with the Department and firms that are SPSF certified through the Contractual Services Unit is available in the Directory of Transportation Firms. The Directory can be accessed on the Department's website at [Directory of Firms](#) -- Complete listing of certified and prequalified firms.

The listing of an individual firm in the Department's directory shall not be construed as an endorsement of the firm.

## **PREQUALIFICATION**

The Department maintains on file the qualifications and key personnel for each approved discipline, as well as any required samples of work. Each year on the anniversary date of the company, the firm shall renew their prequalified disciplines. If your firm has not renewed its application as required by your anniversary date or if your firm is not currently prequalified, please submit an application to the Department **prior to submittal of your LOI**. An application may be accessed on the Department's website at [Prequalifying Private Consulting Firms](#) -- Learn how to become Prequalified as a Private Consulting Firm with NCDOT. Having this data on file with the Department eliminates the need to resubmit this data with each letter of interest.

Even though specific DBE/MBE/WBE goals are not required for this project, the Department of Transportation is committed to providing opportunity for small and disadvantaged businesses to perform on its contracts through established Department goals. The Firm, subconsultant and subfirm shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract.

## **SELECTION CRITERIA**

**All prequalified firms who submit responsive letters of interest will be considered.**

In selecting a firm/team, the selection committee will take into consideration qualification information including such factors as:

1. **15%** = The firm's understanding of the federal requirements for the STP .
2. **50%** = The firm's approach to developing the STP.
3. **35%** = The firm's experience and staff to perform the type of work required, including any designated sub consultants, based on the following: adequate staff to perform assigned project tasks & outstanding workload; firm's related experience & examples; final product quality on previous contracts; adherence to schedules on previous contracts; and flexibility for change in contract.
4. **N/A%** = N/A.
5. **N/A%** = N/A.

After reviewing qualifications, if firms are equal on the evaluation review, then those qualified firms with proposed SPSF participation will be given priority consideration.

## **SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS**

The LOI should be addressed to **Mr. Robert J. Stroup, PE -- State Professional Services Engineer** and must include the name, address, telephone number, and e-mail address of the prime consultant's contact person for this RFLOI.

The LOI must also include the information outlined below:

Chapter 1 - Introduction

The Introduction should demonstrate the consultant's overall qualifications to fulfill the requirements of the scope of work and should contain the following elements of information:

- Expression of firm's interest in the work;
- Statement of whether firm is on register;
- Date of most recent private engineering firm qualification;
- Statement regarding firm's(') possible conflict of interest for the work; and
- Summation of information contained in the letter of interest.

Chapter 2 - Team Qualifications

This chapter should elaborate on the general information presented in the introduction, to establish the credentials and experience of the consultant to undertake this type of effort. The following must be included:

1. Identify recent, similar projects the firm, acting as the prime contractor, has conducted which demonstrates its ability to conduct and manage the project. Provide a synopsis of each project and include the date completed, and contact person.
2. If subconsultants are involved, provide corresponding information describing their qualifications as requested in bullet number 1 above.

Chapter 3 - Team Experience

This chapter must provide the names, classifications, and location of the firm's North Carolina employees and resources to be assigned to the advertised work; and the professional credentials and experience of the persons assigned to the project, along with any unique qualifications of key personnel. Although standard personnel resumes may be included, identify pertinent team experience to be applied to this project. Specifically, the Department is interested in the experience, expertise, and total quality of the consultant's proposed team. If principals of the firm will not be actively involved in the study/contract/project, do not list them. The submittal shall clearly indicate the Consultant's Project Manager, other key Team Members and his/her qualifications for the proposed work. Also, include the team's organization chart for the Project / Plan. A Capacity Chart / Graph (available work force) should also be included. Any other pertinent information should also be listed in this section.

**Note:** If a project team or subconsultant encounters personnel changes, or any other changes of significance dealing with the company, NCDOT should be notified immediately.

Chapter 4 - Technical Approach

The consultant shall provide information on its understanding of, and approach to accomplish, this project, including their envisioned scope for the work and any innovative ideas/approaches, and a schedule to achieve the dates outlined in this RFLOI (if any project-specific dates are outlined below).

APPENDICES-  
CONSULTANT CERTIFICATION Form RS-2

Completed Form RS-2 forms SHALL be submitted with the firm's letter of interest. This section is limited to the number of pages required to provide the requested information.

Submit Form RS-2 forms for the following:

- **Prime Consultant firm**
