<p>CONTRACT SCOPE</p>	<p>The North Carolina Department of Transportation (NCDOT) is soliciting proposals for the services of a firm/team for the following contract scope of work.</p>
<p>SCOPE OF WORK</p>	<p>SPSF Session for Rail Crossing Safety Advertisement</p> <p>The Department will hold an SPSF information Session to take place <u>Thursday, 1/28/2021 from 2pm to 4pm</u>. The meeting will be set up via MS Teams. Firms <u>must</u> contact Mr. Greg Keel, PE (gkeel@ncdot.gov) of the Rail Division via e-mail to be added to the meeting. Firms <u>must</u> place the following in the Subject Line: SPSF Teams Meeting for Rail Crossing Safety. If there is a special email address that should be entered in the calendar for the Teams meeting, Firms <u>must</u> notify Mr. Keel of that email address in their request to be added to the meeting. Otherwise, the address used for the meeting invitation will be that email of the meeting request. <u>Until Firms receive a calendar invitation to the SPSF session, they should not assume that their email has been received or read. Firms are responsible for ensuring they have received an invitation to the meeting.</u></p> <p>=====</p> <p>=====</p> <p>"SPECIAL SUBCONSULTANT NOTES"</p> <p>Subconsultants ARE ALLOWED and may also be added throughout the life of the contract (as needed).</p> <p>Firms (Prime and subconsultants) may also be awarded work, at the discretion of NCDOT, for any newly acquired prequalifications (from those listed above) through the lifetime of the contract.</p>

Firms (Prime and subconsultants) shall be prequalified for discipline codes associated with the work areas before being allowed to work in those areas.

NOTE

Other work codes may be required throughout the life of the contract(s), based on Division need/workload. The prequalification(s) for any future required work code(s) will be reviewed on a project-specific basis and upon Division request and may not be held by all (sub)consultants selected for this contract. These future-required work codes are not currently known and will not be used in the selection process for this current RFLOI.

The Rail Division is occasionally asked to address issues that were not anticipated at the time of advertisement and that require special services or services beyond the capacity of existing teams. In these and other cases, and at Rail Division's discretion, subconsultants will be allowed to be submitted at a later date. This future work is not currently known and will not be used in the selection process for this current RFLOI. In response to this RFLOI, teams should gather all members needed in order to address the scope they intend to pursue. Selections will be based on teams' abilities to address the scope as described herein. Teams should not depend on the use of future subconsultants in order to be selected.

SCOPE

Teams will be required to provide General Railroad Crossing Safety Services that will include, but not be limited to, any combination of the following:

1. Perform traffic separation and crossing evaluation studies
2. Preparation of conceptual, preliminary, right-of-way, and final design plans for proposed rail/highway crossing improvement projects (crossing closure and associated improvements to local roads and grade separation of roadway bridge over railroad) per NCDOT standards and specifications. See qualification requirements at end of Scope of Work.
3. Preparation of specifications, standards, plans, estimates, and other documents for bid of rail/highway crossing improvement projects (crossing closure and associated improvements to local roads and grade separation of roadway bridge over railroad). See qualification requirements at end of Scope of Work.
4. Attend public meetings, workshops, hearings, and coordinate with local and railroad officials
5. Develop special engineering reports, graphics, drawings, and concept visualizations
6. Perform crossing inventories including preparation of USDOT crossing inventory forms and data reconciliation per NCDOT Rail Division specifications and Federal Railroad Administration standards
7. Collect and input of GPS data in GIS and/or CADD files per NCDOT specifications
8. Collect and/or analyze traffic data at or near railroad crossing per NCDOT Rail Division requirements and practices
9. Collect and/or analyze freight rail origination/destination, congestion, throughput, and other freight rail operational data as directed by Rail Division
10. Collect and/or analyze passenger rail origin/destination, revenue, on-time performance, and other passenger rail operational data as directed by Rail Division
11. Provide engineering support for NCDOT and proprietary data management, GIS, modeling, and analysis tools/programs used by Rail Division
12. Coordinate, develop, and review grant application packages and Congressional earmark requests.
13. Develop and review supporting documents for federal grant, earmark, and state fiscal expansion budget requests.
14. Review invoices for railroad construction projects to ensure that project funds are being utilized in accordance with all applicable regulations, statutes, and agreements.
15. Provide program management support for federal grant, earmark, and stimulus-funded programs
16. Coordinate cooperative agreements and project implementation
17. Preparation of contract language, including non-standard language, and documents to match terms negotiated verbally by NCDOT
18. Provide assistance with developing complex contracts, agreements, and specifications pertaining to projects and/or operations pertaining to stimulus and other Rail Division projects
19. Provide assistance in setting up documented process to ensure private railroad match and crossing closure shares for projects are tracked, invoiced, and maintained
20. Develop budgets, funding and spending strategies, and monitor and report as necessary for Federal and State programs, potential earmarks and grants, and stimulus-funded projects
21. Assist with contract creation and other administrative duties as assigned.
22. Manage administrative services as it relates to professional service firms and contractors.
23. Manage Division interns, Transportation Engineering Associates, and other similar short-term Division employees.

Qualification requirements for Items 2 & 3 above

In order to be considered for this work, firms must show corridor modeling experience in addition to any other types of experience they wish to display.

OPTIONAL CODES ARE IN ADDITION TO THE REQUIRED CODES LISTED ABOVE. These codes are relevant to grade separation and roadway design related work only. A team's strength in these codes will be considered during selection.

SUBMITTAL REQUIREMENTS	<p>All LOIs are limited to those pages prescribed in the above sections 'NUMBER OF PAGES (#)' and 'NUMBER OF PAGES (words)' -- inclusive of the cover sheet, and shall be typed on 8-1/2" x 11" sheets, single-spaced, one-sided (RS-2 forms are not included in the page count).</p> <p>LOIs containing more than those pages prescribed in the above sections 'NUMBER OF PAGES (#)' and 'NUMBER OF PAGES (words)' pages will not be considered.</p> <p>DISCIPLINE CODES for each primary and/or subconsultant firm(s) (if Subconsultants are allowed under this RFLOI) SHALL be listed on the respective RS-2 FORMS (see section 'SUBMISSION ORGANIZATION AND INFORMATION REQUIREMENTS').</p> <p><i>ONLY ELECTRONIC LOIs WILL BE ACCEPTED.</i></p> <p>LOIs should be submitted in .pdf format using software such as Adobe, CutePDF PDF Writer, Docudesk deskPDF, etc.</p> <p>=====</p> <p>NCDOT now utilizes its online LOI Submittal Management System (LOISS) located at: https://connect.ncdot.gov/site/psmu/default.aspx. To submit an LOI utilizing this system, the "submitting employee" at each "submitting Firm" must have their own, individual NCID (as a note, each prequalified Firm should already have an individual in the company with an NCID – as required by the online Prequalification System). NCIDs may be obtained at this website: https://ncid.nc.gov/ (locked NCIDs may also be unlocked via the self-service portion of the NCID website). Once the "submitting employee" has their completed NCID, they may proceed to upload their firm's LOI to NCDOT's LOISS. This site is very similar to other web-based upload and form-fill sites.</p> <p>NCID sync issues – Help contact: Once a user has an NCID (whether prior to this advertisement, or pursuant to this advertisement) and said user receives an error message, or has issues, when attempting to login to LOISS, please contact NCDOT - CM Support at dot.cmsupport@ncdot.gov to have your NCID synchronized. Please explain that you are trying to access the LOISS application on the PSMU site and include your NCID (do not include your password) and the error message you are receiving. This syncing of your NCID to LOISS should be a one-time occurrence. Firms' users are urged to early create an NCID (if needed) and have it synced with LOISS (if necessary) to avoid any potential delays or missed deadlines when submitting your firm's LOI.</p> <p>NCDOT strongly urges Firms to use Google Chrome browser to access LOISS in order to ensure the best experience possible.</p> <p>Once logged into LOISS, the Firm should locate and click the 'LOI Submission' button in the left menu bar. After clicking the 'LOI Submission' button, the Firm should identify the specific Opportunity for which they wish to submit an LOI. The Firm will click the link for their desired Opportunity, and UPLOAD one copy of their LOI, as a .pdf file, to NCDOT's LOISS at the Advertisement/Opportunity-Specific 'LOI Submittal' LINK shown in the section above entitled 'LETTER of INTEREST (LOI) Submittal Link'.</p> <p>Your Firm's Letter of Interest (LOI) may be uploaded at the Advertisement/Opportunity-Specific 'LOI Submittal' LINK for this specific Advertisement/Opportunity shown in the section above entitled 'LETTER of INTEREST (LOI) Submittal Link'.</p> <p>LOISS will close the Advertisement / Opportunity at the appropriate time and will not allow Firms to submit LOIs after the deadline.</p> <p>Upon successful UPLOAD of your Firm's LOI to LOISS, the system will notify you with a confirmation screen. You will also receive an e-mail stating that you have successfully submitted your Letter of Interest (LOI).</p> <p>Paper copies are not required. The subject line should contain the Firm's Name, and the text prescribed in the section given below 'SUBJECT LINE OF PEF SUBMITTAL'.</p> <p>LOIs SHALL be received electronically no later than 12:00 P.M. (NOON) Eastern, on the date given in the section entitled 'SUBMITTAL DEADLINE' at the beginning of this Advertisement.</p> <p>LOISS will not allow LOIs to be UPLOADED nor be received after the above deadline and such LOIs will not be considered.</p> <p>Firms are encouraged to begin this submittal process early as there are now several more steps involved with LOI-submission than were involved with the previous FTS methodology of LOI-submission.</p> <p>=====</p> <p>Firms submitting LOIs are encouraged to carefully check them for conformance to the requirements stated above (and any other requirements in this Advertisement). IF LOIs are submitted late, exceed the maximum number of pages, are sent by any means other than NCDOT's LOI Submittal Management System (LOISS), or are UPLOADED to any Advertisement/Opportunity-Specific 'LOI Submittal' LINK other than that given in this Advertisement they will be disqualified.</p> <p>The Department reserves the right to reject all LOIs and not proceed with procurement.</p> <p>The Department reserves the right to waive any technicality in LOIs, or notify the Firm(s) of such technicality and allow the Firm(s) up to two (2) business days to rectify the technicality. The Department has sole right and discretion in the determination of technicality and its meaning.</p>
SUBJECT LINE OF PEF SUBMITTAL	FIRM NAME_2021 Rail Crossing Safety On-Call LSC
SELECTION PROCESS	<p>Following is a general description of the selection process:</p> <ul style="list-style-type: none"> • The NCDOT Selection Committee will review all qualifying LOI submittals. • For Limited Services Contracts (On-Call type contracts), the NCDOT Selection Committee MAY, at the Department's discretion, choose any number of firms to provide the services being solicited. • For Project-Specific Contracts (non On-Call type contracts), the Selection Committee MAY, at the Department's discretion, shortlist a minimum of three (3) firms to be interviewed. IF APPLICABLE, dates of shortlisting and dates for interviews are shown in the section 'SUBMISSION SCHEDULE AND KEY DATES' at the end of this RFLOI.

	<ul style="list-style-type: none"> In order to be considered for selection, consultants must submit a complete response to this RFLOI prior to the specified deadlines. Failure to submit all information in a timely manner will result in disqualification.
TITLE VI NONDISCRIMINATION NOTIFICATION	The <i>North Carolina Department of Transportation</i> , in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all RESPONDENTS that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit LETTERS of INTEREST (LOIs) in response to this ADVERTISEMENT and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.
SMALL PROFESSIONAL SERVICES FIRM (SPSF) PARTICIPATION	<p>The Department encourages the use of Small Professional Services Firms (SPSF). Small businesses determined to be eligible for participation in the SPSF program are those meeting size standards defined by Small Business Administration (SBA) regulations, 13 CFR Part 121 in Sector 54 under the North American Industrial Classification System (NAICS). The SPSF program is a race, ethnicity, and gender neutral program designed to increase the availability of contracting opportunities for small businesses on federal, state or locally funded contracts. SPSF participation is not contingent upon the funding source.</p> <p>The Firm, at the time the Letter of Interest is submitted, shall submit a listing of all known SPSF firms that will participate in the performance of the identified work. The participation shall be submitted on the Department's Subconsultant Form RS-2. RS-2 forms may be accessed on the Department's website at NCDOT Connect Guidelines & Forms (https://connect.ncdot.gov/business/consultants/Pages/Guidelines-Forms.aspx).</p> <p>The SPSF must be qualified with the Department to perform the work for which they are listed.</p>
PREQUALIFICATION	<p>The Department maintains on file the qualifications and key personnel for each approved discipline, as well as any required samples of work. Each year on the anniversary date of the company, the firm shall renew their prequalified disciplines. If your firm has not renewed its application as required by your anniversary date or if your firm is not currently prequalified, please submit an application to the Department prior to submittal of your LOI. An application may be accessed on the Department's website at Prequalifying Private Consulting Firms (https://connect.ncdot.gov/business/Prequal/Pages/Private-Consulting-Firm.aspx) -- Learn how to become Prequalified as a Private Consulting Firm with NCDOT. Having this data on file with the Department eliminates the need to resubmit this data with each letter of interest.</p> <p>Professional Services Contracts are race and gender neutral and do not contain goals. However, the Respondent is encouraged to give every opportunity to allow Disadvantaged, Minority-Owned and Women-Owned Business Enterprises (DBE/MBE/WBE) subconsultant utilization on all LOIs, contracts and supplemental agreements. The Firm, subconsultant and subfirm shall not discriminate on the basis of race, religion, color, national origin, age, disability or sex in the performance of this contract.</p>
DIRECTORY OF FIRMS AND DEPARTMENT ENDORSEMENT	<p>Real-time information about firms doing business with the Department, and information regarding their prequalifications and certifications, is available in the Directory of Transportation Firms. The Directory can be accessed on the Department's website at Directory of Firms (https://www.ebs.nc.gov/VendorDirectory/default.html) -- Complete listing of certified and prequalified firms.</p> <p>The listing of an individual firm in the Department's directory shall not be construed as an endorsement of the firm.</p>
SELECTION CRITERIA	<p>All prequalified firms who submit responsive letters of interest will be considered.</p> <p>In selecting a firm/team, the selection committee will take into consideration qualification information including such factors as those listed in the 'SELECTION CRITERIA...' sections shown below.</p> <p>After reviewing qualifications, if firms are equal on the evaluation review, then those qualified firms with proposed SPSF participation will be given priority consideration.</p>
