Addendum Number: **1**
Purchaser: **Christian Andresen**

Service/Commodity: **Furnish and Apply Mulch as Needed**
Using Agency: **NCDOT Division 4 Roadside Environmental**
Opening Date/Time: **September 27, 2022 @ 2:00 PM ET**

INSTRUCTIONS: This addendum **DOES NOT need to be returned with bid response.**

1. Below are the responses to Vendor Questions submitted regarding the above referenced Invitation for Bid:

Vendor Question	State Response
Q1: What is the minimum amount of mulch to be placed per call request?	A1: The quantity will depend upon the number of beds in that location. 600 CYD would be a good estimate, though no quantities are guaranteed.
Q2: How many days' notice will be given per call to be on site?	A2: We would be willing to give five (5) days per call.
Q3: Will calls be per county (Edgecombe, Halifax, Johnston, Nash, Wayne, and Wilson), or could each call consist of multiple counties?	A3: We will try to keep each call per county due to the limited number of inspectors we have.
