**INSTRUCTIONS:** Please see the question and answer:

**THIS BID ADDENDUM DOES NOT HAVE TO BE RETURNED**

Question: This contract has 5 cycles in it, but never been cut more than four times. Is this true going forward?

Answer: The Division anticipates cutting 5 cycles as the standard for shoulder mowing. Mowing cycles may be increased or decreased by the Engineer due to budget or weather conditions. Hoke and Scotland have been mown 5 cycles in the past. The decision to cut only 4 was based on budget restrictions.
