

# Road, Bridge or Ferry Naming Request Process

---

Pursuant to [NCGS §136-18\(8\)](#), the North Carolina Board of Transportation may name roads, bridges, or ferries. The request and process for approval of a road, bridge or ferry naming may be found in the sequential steps provided below.

Commonly used definitions throughout this document include the following:

- "Requesting party" refers to the individual/s who seeks to request a road, bridge or ferry to be named.
- "Local government/s" shall mean the county, city, town or village in whose jurisdiction the facility lies.
- "Resolution" is defined as a written motion or formal request that the Board takes action on by voting.
- "Department" shall mean the North Carolina Department of Transportation (NCDOT).

NCDOT Staff Contact in the Chief Engineer's Office:

Leigh Wing, Assistant to the Chief Engineer

(919)707-2544

[lmwing@ncdot.gov](mailto:lmwing@ncdot.gov).

1. The requesting party completes the [Road, Bridge or Ferry Naming Application Form](#) and submits it to the appropriate NCDOT Division staff contact. (For assistance with who to contact in your Division, contact Leigh Wing or e-mail the service account at [roadnaming@ncdot.gov](mailto:roadnaming@ncdot.gov).)
2. The Division Office will review the submitted application with the Board Member and Division Engineer.
  - If the application does not meet the policy requirements at this stage of the process, the Division Office will contact the requesting party to provide the reason(s) the application could not move forward.
  - If the application does meet the policy requirements, it will proceed in the process. The NCDOT Staff Contact will notify the requesting party.
3. If the submitted application is to continue in the process the next steps are as follows:
  - The requesting party is responsible for contacting and collaborating with the local government(s) to develop a formal resolution for consideration by the respective board/s (city council or county commission).
  - The local government(s) must draft a resolution consisting of 400 words or less.
  - The resolution must describe the honoree's accomplishments, credentials and specify the road, bridge or ferry to be named.
  - If the road, bridge or ferry to be named is in more than one municipality, resolutions from all municipalities are required.
  - The local government(s) from applicable municipalities must unanimously pass the resolution(s) in a public forum for the application to move forward in the request process.

## Road, Bridge or Ferry Naming Request Process

---

4. If the local government(s) pass(es) the resolution unanimously, the application progresses in the process and the next steps are as follows:
  - The requesting party submits the following documentation to the NCDOT Division staff contact:
    - A copy of the resolution(s) passed unanimously by the respective local board/s.
    - A copy of the meeting minutes that state the resolution was passed unanimously and the opportunity for public input was provided.
    - A completed Character Certification Form ([hyperlink](#))
    - A minimum of three recommendation letters (civic, business, or service organizations) and verification of family support.
    - Written documentation that affirms the willingness of the local government or sponsor to participate financially by paying an administrative fee of \$2000 to offset costs associated with the program. (Payment should not be submitted until after final BOT approval.)
    - Verification of Valor Medal, if the naming is for a military individual.
5. Once the supporting documentation outlined in section 4 is received by the NCDOT Division staff contact, the Board Member and Division Engineer must sign off on the request to affirm their support. The required documentation is then sent to the Chief Engineer's Office and reviewed by an internal staff committee who makes a recommendation to the Chief Engineer for review and signature. The naming request is then placed on an upcoming Board of Transportation Road, Bridge, and Ferry Naming Committee agenda for consideration. (Road, Bridge, and Ferry Naming Committee agendas are posted publicly on the [Board's website](#) each month.)
6. If the Board's Road, Bridge and Ferry Naming Committee approves the requested naming:
  - The Department will draft a resolution for vote by the Board.
    - The Board's resolution will describe the honoree's accomplishments, credentials and specify the road, bridge or ferry to be named.
    - It will state the name that should appear on the sign.
    - The Department has final authority regarding sign design, including text.

## Road, Bridge or Ferry Naming Request Process

---

7. The Board of Transportation votes on the naming resolution.

If the Board of Transportation approves the requested naming:

- The local government and the NCDOT Division Office are notified in writing of the approval and the required payment.
- Payment is due to the Department upon notification that the honorary designation has been approved by the Board. Signs will not be manufactured until payment is received.
- The NCDOT Communications Office will plan a naming ceremony if one is desired by the local government.
- Signs are installed. Honorary signs will be ground mounted; overhead signs will not be installed.
- Signs will be installed at the beginning and ending termini of the approved roadway segment, and will not be installed on exits, Y-lines, or intersecting roadways.

If the Board of Transportation does not approve, NCDOT notifies the requesting party either by phone, email, or letter.
