N.C. Airport Community,

The NCDOT Division of Aviation announced the winners of the 2025 North Carolina Aviation Art Contest, themed “Women With Wings,” this week. This year’s competition inspired over 1,000 students to celebrate the contributions of women in aviation through art. A panel of judges, including Gov. Josh Stein and NCDOT Secretary Joey Hopkins, selected the winners.

The contest, which is sponsored by the North Carolina Airports Association, awards cash prizes to top artists and their schools. [See the winners and their art here.](#)

Below is our monthly email of links to guidance and requests for action, upcoming events and due dates and new guidance under development.

As always, contact your [airport project manager](#) with questions about these items.

Best Regards,
Your NCDOT Aviation Team
