

STATE OF NORTH CAROLINA
DEPARTMENT OF TRANSPORTATION

ROY COOPER
GOVERNOR

ERIC BOYETTE
SECRETARY

NCDOT Division of Aviation has been supporting general aviation airports in North Carolina by providing **"NO TRESPASSING SIGNS"** to airports at no cost to them. We have updated our policy and wanted to alert you of the latest plans for providing signage:

1. NCDOT Aviation will continue providing airports with three different types of signs at no cost to the airports.
2. Airports can request up to 10 of each type of sign in a state fiscal year using the request form.

Here are the three types of signs NCDOT Aviation will provide at no cost (maximum 10 per type each state fiscal year):

1. **"NO TRESPASSING" sign:** This sign, as shown below, should be located, and installed on all airport perimeter fence gates.

Size: 18" x 24" and 30" x 24"

2. **“NO TRESPASSING: VIOLATORS WILL BE PROSECUTED” sign:** This sign, as shown below, should be located and installed on perimeter fences of the airport with a maximum spacing of 500 feet between the signs and generally where at least one sign is visible from anywhere outside the fence.

Size: 18" x 18"

3. **“RESTRICTED AREA” sign:** This sign, as shown below, should be located, and installed on gates accessing the aircraft apron(s) and terminal area(s) of the airport.

Size: 18" x 18"
