

MANAGING WILDLIFE HAZARDS AT AIRPORTS 2019 TRAINING

WHO

Any personnel from NC airports tasked to handle wildlife hazards to aviation. If you represent a CFR Part 139 Airport, this training will aid in meeting your 14 CFR 139.303 training requirements.

WHEN/WHERE

February 13, 2019 Smith Reynolds Airport (INT)

April 10, 2019 Coastal Carolina Regional (EWN) **ADVANCED TRAINING**

June 5, 2019 Asheville Regional Airport (AVL)

August 7, 2019 Charlotte Monroe Executive Airport (EQY)

September 25, 2019 Pitt-Greenville Airport (PGV)

October 9, 2019 Hickory Regional Airport (HKY) **ADVANCED TRAINING**

November 6, 2019 Raleigh Executive Jetport (TTA)

WHAT

USDA Wildlife Services, in cooperation with the NCDOT Division of Aviation, will provide technical outreach and other services designed to increase safety at NC airports. This is a no cost training event for attendees. Training days typically run from **9AM—4PM**, with lunch either provided by the host airport or on your own at local restaurants. Seating is limited, please register early, registration is on a first come first serve basis. More info will be provided upon registration regarding directions and itinerary. For 2019, we will be offering 5 standard Part 139 trainings and two Advanced Trainings at EWN and HKY. The Advanced Training will be more tailored to individuals that handle wildlife control at their airports on a daily basis. This training will include: standard topics to meet Part 139 certification; an on-site visit to learn how to properly survey the airfield, identify hazards/attractants and record data; demonstrations on multiple types of harassment devices; and demonstrations on trapping techniques for birds and mammals.

TOPICS: STANDARD TRAINING

- ▶ Topics contained in FAA Advisory Circular 150/5200-33 will be discussed
- ▶ General overview of wildlife hazards to aviation in our state and nation
- ▶ Review of the Wildlife Hazard Assessment and Wildlife Hazard Management Plan Process
- ▶ Rules, regulations, legal reminders, wildlife permits
- ▶ Basic bird and mammal identification
- ▶ Wildlife attractants and habitat management
- ▶ Integrated management of wildlife hazards
- ▶ Record keeping and strike collection
- ▶ Pyrotechnic demonstration and safety brief

If you have questions or would like to pre-register call: Jimmy Capps USDA - Wildlife Services at (919) 210-9428 or email james.e.capps@aphis.usda.gov
