EXPENSE REPORTING & SUPPORTING DOCUMENTATION ASSURANCES

Please check the box below to certify you will comply with these reporting and documentation requirements.

[Supporting Documentation](#)

We acknowledge and agree to submit supporting documentation along with the referenced expense reports, as defined by NCDOT.

Uploading this form to the grant application within the Enterprise Business Systems (EBS) and pinned by the sponsor acknowledges certification of compliance.

Next provide a brief narrative for each project listed above to include the purpose, need, and expected benefit.
